

STATEMENT
Brian William Shaw
July 2020
THE GREAT AUSTRALIAN ROBBERY
The Overt Act of Treason

I, Brian William Shaw c/o PO Box 800 Werribee 3030 Victoria do state and affirm the following:

1. **When the Governor and Attorney General for the then existing State of Western Australia enacted an Act on the 1st January 2004 the largest robbery in the history of Australia occurred. Essentially two men gained the land and resources inclusive of the entire coastline of Western Australia for themselves and others.**

2. **HOW DID THIS HAPPEN – UNITED NATIONS 1948**

To enable this particular robbery extensive criminal collusion had to occur throughout Australia, in particular political collusion, Judicial collusion and Electoral Commission collusion.

3. **THE COLLUSION**

At all times the purpose of the collusion was and remains to keep the people of Australia, in particular the electors completely ignorant in relation to the robbery that has occurred, inclusive of the **“United Nations Involvement.”**

4. **WHAT ROBBERY - 2004**

The Great Australian Robbery that occurred on the 1st January 2004 involved certain politicians within Western Australia introducing **Specific Legislation** into the Parliament of Western Australia and by fraudulent means enabling the legislation to be enacted.

5. **WHAT WAS ENACTED (The Overt Act)**

On the 1st January 2004 the legislation that was enacted was titled
**“Acts Amendment and Repeal Courts and Legal Practices
Act 2003” Number 65 of 2003 Western Australia”.**

6. **WHAT DID THIS LEGISLATION ENABLE**

At Part 8 of the Overt Act the sub-header is
“Amendments about the Crown”

at Part 8; specific Acts already in position and operating within Western Australia were altered and amended.

“All referendums were omitted”

7. THE TEN ACTS AT PART 8 ARE :-

- 1. Bail Act 1982 amended.**
- 2. Children's Court of Western Australia Act 1988.**
- 3. The Criminal Code Compilation Act 1913.**
- 4. Director of Public Prosecutions Act 1991.**
- 5. District Court of Western Australia Act 1969.**
- 6. Family Court Act 1997.**
- 7. Juries Act 1957.**

- 10. Supreme Court Act 1935 – Removes Queen and Substitutes "Governor"**

Within these particular Act's.

- 1. All references to the Queen/Her Majesty.**
- 2. All references to the Crown**
- 3. All respective oaths of allegiance.**

9. WHAT WAS SUBSTITUTED

1. State or the Commonwealth.
2. The State of Western Australia
3. State.
4. Under the Public Seal of the State.
5. The Prosecution.
6. Armorial Bearings of the State.
7. The Governor.

10. HOW WAS THIS POSSIBLE "REFERENDUMS OMITTED"

1. All statutory referendum requirements were omitted to prevent the people/electors becoming aware of this.
2. At all material times whenever legal issues were raised resulting in court room hearings the Judiciary takes total control and have refused any and all jury involvement to limit exposure.

11. THE HIGHEST COURT IN AUSTRALIA- ROBERT FRENCH

Within Australia the highest court that exists is the High Court consisting of seven judges and as such to enable the judicial concealment of this particular robbery, a Western Australian person was moved into the position of Chief Justice of the High Court in 2008 – Mr. Robert French.

12. THE JUDICIARY IN WESTERN AUSTRALIA

By permitting the Supreme Court Act 1935 (Western Australia) to be included into the overt criminal act already mentioned, all officers of the Supreme Court of Western Australia have enabled and contributed to this **Great Australian Robbery**. The Supreme Court Act 1935 was added to this overt act with 12 subsections, each of the subsections are **criminal acts on their own**.

13. THE JUDICIARY IN VICTORIA

At all material times every officer of the Supreme Court of State of Victoria are principals to the criminal actions that have emanated out of Western Australia, and as such have endeavored to conceal the real facts from the people and electors of The State of Victoria, by refusing that is, **not permitting jury trial involvement**, so that the electors are completely kept in the dark, in relation to this particular, Great Australian Robbery.

14. WHO IS THE DRIVING FORCE

To enable this type of legislation to pass through respective Parliaments and Courtroom concealment takes a large organization of people to keep the robbery from the People of Australia in particular electors. The principle driving force and organization is Freemasonry because every member of Freemasonry is bound by specific Masonic Oaths/obligations to **“Conceal and Never Reveal”**

15. THE FOREIGN POWER

Every Masonic Lodge operating within Australia belongs to the foreign power of Freemasonry, unfortunately for Australia and Australians the Judiciary of Australia are involved in the concealment and protection of Freemasonry, in particular Masonic Judiciary.

16. QUESTION OF FACT OR QUESTION OF LAW

The average Australian does not know the difference between a question of fact, or a **question of law**, essentially a **question of law** is handled exclusively by the judiciary which enables the officers of such courts to control the exposure, but a question of fact is entirely different altogether, because a question of fact is for a jury to determine, - A JURY OF 12-

“This is law in both Civil and Criminal jurisdictions”

17. QUESTION OF FACT > JURY ISSUE

EXAMPLES:

1. *Question of Fact > Jury*

Question 1

“Are officers of the Supreme Court of Western Australia that is the judiciary after 1st January 2004 operating outside of their original *Grant of Power* and as such committing serious indictable offences against the people of Western Australia inclusive of the people of The Commonwealth of Australia”

2. *Question of Fact > Jury*

Question 2

“Are officers of the Supreme Court of Victoria principal offenders in relation to the concealment of the real facts in relation to what has happened in Western Australia”

3. Question of Fact > Jury

Question 3

“Are officers of the High Court and current Federal Courts actively involved in the concealment of the Great Australian Robbery that has occurred within Western Australia and escalated into the Commonwealth of Australia”

4. Question of Fact > Jury

Question 4

“Are electoral officers currently working within respective Election Commission’s within Australia actively involved in concealing the real facts from the electorates of their respective states and electors of the Commonwealth of Australia”

18. THE ELECTORAL COMMISSIONS – (AEC)

The principal Election Commission is the Commonwealth Electoral Commission enabled by the Commonwealth Constitution Act and The Commonwealth Electoral Act 1918.

Respective States have their own Electoral Commissions: within Victoria the Victorian Electoral Commission operates and is enabled by the Electoral Act 2002.

The Electoral Act 2002 for the State of Victoria states that the Victorian Electoral Commission is one person: and currently that person is **Mr. Warwick Gately**.

19. THE ELECTORAL COMMISSION ROLE

At all material times the role of the respective Electoral Commission at Commonwealth Level, State Level, and Council Level is to conduct Elections. The additional role is to conduct **statutory referendums** when necessary to enable the electorate to fully understand and get involved in legal and legislative issues before they are able to become Acts.

20. THE REFERENDUM REQUIREMENTS

The referendum requirements are statutory and compulsory, **but they have been omitted** to enable this particular concealment and robbery.

Commonwealth	Constitution : Section 128 and 123
West Australian	Constitution : Section 73 (2)
Queensland	Constitution : Section 53
New South Wales	Constitution : Section 7
Victorian	Constitution : Section 18

To enable the Great Australian Robbery the respective sections have either, been altered, amended, removed or completely ignored.

21. THE ELECTORAL PROCESS (Cosgrove / Turnbull)

1. Recently the electors of the Commonwealth of Australia voted for respective Senators and House of Representatives for elected people to represent the respective electorates in the Parliament sitting at Canberra A.C.T.
2. The election process was activated when the current Prime Minister **Mr. Malcolm Turnbull** (2016), requested the Governor General **Mr. Peter Cosgrove** a military man and RSL Member to dissolve both Houses of the Commonwealth Parliament to cause an election (The Federal Election)

22. THE ELECTION WRITS – Sections 12 and 32

After the initial written request, election “Writs” are issued, these writs are issued under the Commonwealth Constitution at **Section 12** for the Senate and at **Section 32** for the House of Representatives writ.

23. THE NOMINATION FORMS (AEC)

Australian Election Commission and Candidates

The next process regards the candidates standing for election, this particular process is activated by special nomination forms for Senators and or House of Representatives.

For the Senators the form is **Form 59**.

For the House of Representatives the form is **Form 60**.

For each and all candidates nominees are required to be listed and checked as registered electors, which is Constitutionally Impossible after the Criminal removal of both Crown and Monarch

24. COMMONWEALTH CONSTITUTION – Section 44

Section 44 - The Disqualification Section

On both Forms 59 & 60, Section 44 is fully quoted on the front page with a caution added "*Candidates if you do not understand please seek legal advice before signing*"

25. WHO SIGNS THE WRITS – Sections 12 and 32

A. For the Senate – Senators issued under Section 12 of the Commonwealth Constitution; "**The Governor of the State**".

B. For the House of Representatives issued under Section 32 of the Commonwealth Constitution "**The Governor-General in Council**"

26. THE INVALID WEST AUSTRALIAN WRIT. (January 2004)

On the 1st January 2004 the then Governor of the State of Western Australia John Sanderson at Section 130 of the Acts Amendment and Repeal Courts and Legal Practices Act 2003, with the assistance and consent of the then Attorney General Mr. James McGinty inclusive of respective politicians sitting in the West Australian Parliament amended the **Supreme Court Act (The Judiciary)** and by such amendment at subsection (3) removed Her Majesty Queen Elizabeth The Second and substituted himself, Mr. Sanderson thereby invalidating any and all purported election writs relating to, or involving West Australia and voiding the election.

The beginning of the "**Great Australian Robbery**".

26A. THE OVERT ACT OF TREASON

"Acts Amendment and Repeal Courts and Legal Practice Act"

27. THE ENACTMENT (1st January 2004)

The purported enactment of the “Acts **Amendment and Repeal Court and Legal Practices Act 2003**” (The Overt Act) was enacted effective 1st January 2004 and signed in their purported respective capacities by John Sanderson, the **new** Governor of the State of Western Australia and co-signed by Mr. J. A. McGinty the purported Attorney General for the State of Western Australia.

28. INCONSISTENCY / INVALIDITY – Grants of Power

Within Australia the principal binding Act is the Commonwealth Constitution Act from which respective “**Grants of Power**” flow, but any inconsistency with the law of the Commonwealth by a law of a State, results in invalidity of that respective State law by virtue of **Section 109** of the Constitution of the Commonwealth of Australia.

29. THE RESULTANT EFFECT on ELECTORS

The resultant effects of the overt act of Western Australia are;-

A. The overt Act is invalid

B. The Western Australian election writ for Senators of Western Australia is invalid, inclusive of House Representatives

C. The State election writ for politicians is invalid.

D. The West Australian Electoral Commission by failure to hold the State referendum because of statutory requirements contained at **Section 73 (2)** of the West Australian Constitution contributed to and compounded the effect resulting in invalidity.

E. The resultant West Australian legislation (The Overt Act) has created:

1. Constitutional Chaos

2. Judicial Chaos

3. Electoral Chaos

4. Financial Chaos

5. Church Chaos

6. Spiritual Chaos

7. Corporation Chaos

30. ORDER OUT OF CHAOS - FREEMASONRY

Freemasonry is named as the organization that is the driving and controlling body running this discovered attack within Australia.

One of the principle teachings and motto of Freemasonry is **“ORDER OUT OF CHAOS”**

That is Freemasonry will produce chaos first and then appear on the surface to bring order; but at all material times the result will be and must be **“Masonic Order”**

31. UNREGISTERED POLITICAL PARTY – Masonic Members 40%

The West Australian Parliament consists of less than 100 Politicians but, the usual Masonic content is 40% and in this concealed capacity become an unregistered political party bound by Masonic edict, and instructed to vote Masonic agendas or amendments into purported law by deception.

32. THE CONSTITUTION OR MASONIC RULE (QUESTION OF FACT)

The critical issue and question now becomes;

Is the Constitution of the Commonwealth of Australia the principal and binding Act –

Or

Does the Masonic Rule and Masonic edicts override.

To introduce a Masonic Constitution

33. THE PRINCIPAL ISSUE – Jury Issue

This is a question of fact, and as such is a jury issue.

34. THE ELECTORATE / ELECTORS (THE IGNORANCE)

The electors are principal to the Constitution of The Commonwealth; they are not privy to Masonic Rule or Edicts and in general have no working knowledge of the existence, function or purpose of Freemasonry.

35. FREEMASONRY AND UNLAWFUL OATHS

- A. Every Freemason must take Masonic oaths/obligations to become a member and to advance into the various ranks and degrees of Freemasonry.
- B. Masonic oaths / obligations are inconsistent with known established law.
- C. Masonic oaths / obligations are in breach of known and established law in relation to the taking and administering of unlawful oaths; for example; Section 316 Crimes Act 1958 Victoria.

36. THE MASONIC WARRANT – UNITED KINGDOM

The warrant to form an operation to (operate) Masonic Lodges within Australia emanated from the **United Kingdom**, but in the year 1999 the High Court of Australia ruled in the Heather Hill matter (Sue v Hill) That the United Kingdom is a foreign power and as such the judgment or rule **if valid in law** makes the United Kingdom Masonic Warrant an invalid warrant, because of foreign power implication emanating from the High Court ruling in 1999 (**Sue v Hill**)

37. CONSTITUTIONAL ALLEGIANCE OR MASONIC ALLEGIANCE

The constitutional allegiance is and remains within the Constitution of the Commonwealth of Australia and respective State Constitutions, the particular allegiance is to the Monarch of the United Kingdom in this instance Queen Elizabeth the Second Her Heirs and Successors.

“BUT”

The Masonic allegiance is to the Supreme Council sitting at London, or rather The City of London. The two allegiances are in direct conflict with each other.

38. THE ALLEGIANCE QUESTION (Jury Issue)

QUESTION OF FACT

“Which allegiance is to be permitted within Australia?”

39. THE JURISDICTIONAL ISSUE – “Quasi – Criminal”

“When the real facts are permitted into open court the matter is both Civil and Criminal Jurisdiction.

40. THE CRIMINAL JURISDICTION (INDICTMENT)

Contained within the Commonwealth Constitution is the right of trial by jury on indictable, this right is found at Section 80 of the respective Act.

41. THE GREAT AUSTRALIAN ROBBERY

The criminal ramifications involve the offences found at Common Law inclusive of Statute Law, in particular:-

The Criminal Code Act 1995 (Cth)

The Crimes Act 1914 (Cth)

The Crimes Act 1958 Victoria and Western Australia

The Common Law

42. THE INDICTMENT

In every criminal trial there must be a valid signed indictment such indictment can be obtained by three sources:-

A. Public Prosecutions (Commonwealth)

B. Public Prosecutions (State)

C. Grand Jury (23 Electors)

Please Note: When the offence involves Treason the indictment "must" be by Grand Jury

43. STATE OR THE COMMONWEALTH

The inclusion of the terminology into the overt act of Western Australia immediately involves and implicates "**The Commonwealth**" and as such removes any purported right by Public Prosecutors State or Commonwealth to interfere or become involved in the matter, other than in the official capacity of "**offenders**" leaving only the Grand Jury function (23 Electors)

44. A GRAND JURY INDICTMENT – 2001 (Unlawful Removal)

The Crimes Act 1958 (Victoria) at Section 354 did contain a Grand Jury Right, but, when this Statute Right was activated in 2001 the criminal collusion involved the judiciary and politicians to conceal the real facts went into operation. Accordingly the right was unlawfully and criminally removed.

45. TRIAL BY JURY ON INDICTMENT – Section 80

The Commonwealth Constitution Act is the foundational and principle act governing Australia and the people of Australia.

When indictable offences are discovered criminal jurisdiction is invoked the section granting trial by jury on indictment is Section Eighty (80) of the principle Act.

The key and critical component of the stated right is the “Indictment” **any purported State legislation hindering or blocking the indictment right under Section 80 is inconsistent with the principle Act accordingly is invalid.**

46. THE VICTORIAN ACTS (Overt Acts of Treason)

Three principle acts within Victoria are outside the Constitutional Grant of Power” the Acts are:-

A. Courts and Tribunal Legislation and further Amendments Act unlawfully assented to on the 5th September 2000.

B. Public Prosecutions Act (Victoria) at
Sections 22 & 51 (3)

C. Criminal Procedure Act enacted 1st January 2010

47. THE LAW BREAKERS – The Electorate

Every Australian is currently breaking the law when voting because statute law under the Commonwealth Constitution has been broken and the breach has not been attended to by the Electorate.

Vexatious or Malicious Prosecution

Vexatious means filing or using the court process without any reasonable cause of action.

Malicious Prosecution means a prosecution that has been instigated with a *malicious intent*.

Vexatious Proceedings Act:- 2014 - Victoria

Who enacted this act!

What section states “on the papers”

“Who introduced the Act”

“What pages are recorded within Hansards” (Vic)

48. POLITICAL AND JUDICIAL COLLUSION

In Section 5 of the Commonwealth Constitution, the United Kingdom portion, the section binds the judges, courts and the people

But

In relation to the courts is that the people are given access to the courts but the courts are ruthlessly controlled by the Judiciary, in particular, where matters are before the courts that involve Judicial **collusion or corruption** that require jury intervention, the Judges will not permit the inclusion of juries into the matter whether it is civil or criminal discovery. But by **misleading and deceptive conduct** trick the electors/the people into maintaining the **evident fraud** by shutting out the people from hearing and judging the real facts of the matter or matters.

49. INTIMIDATING A JURY – WILSON NSW

In the New South Wales Criminal Jurisdiction a man by the name of John Wilson was placed on trial but in the period after the trial one of the jurors wrote to Mr Wilson and stated that the Sheriff and or the Sheriff's deputies repeatedly came into the jury room and **intimidated the jurors** into a conviction.

50. WHY A GRAND JURY (23 ELECTORS)

A Grand Jury is conducted in secret and shuts out judicial corruption or sheriff's intimidation - when a Grand Jury is convened the Grand Jury hears and determines all of the facts, both under the banner of a Question of Law and/or a Question of Fact.

THE INDICTMENT

The purpose and function of a Grand Jury is to issue a valid indictment to enable a criminal trial to take place with 12 jurors/electors sitting in an open court with a judge in attendance.

51. CHAOS IS INBUILT

The Issue of Chaos is the principle factor when judicial and political corruption is involved and uncovered. At all material times, chaos is inbuilt from conception to enable chaos to be created when the time is right. The removal

of the Crown and Monarch and Oath of Allegiance without the knowledge or consent of the people; in particular, the electors; activates chaos but **chaos can be both discovered and controlled.**

52. THE JUDICIAL DILEMMA IN AUSTRALIA

No judge acting with reasonable common sense would permit a judgement that would activate chaos without specific reservations or ability to address the pending chaos.

53. THE ELECTORS' DILEMMA

In either a Grand Jury situation or Jury Trial issue, the elector represented by the sitting jurors would; after discovery of the real facts, find themselves in the same situation as the judiciary would in coming to the conclusion **that this will unleash chaos.**

54. THE FRENCH AND RUSSIAN REVOLUTION

Both revolutions unleashed chaos, by using the people to activate the chaos.

55. FREEMASONRY AND CHAOS - DISCOVERY

It is impossible to block or prevent chaos without unwrapping and discovering the functions, purposes and existence of freemasonry, because freemasonry is the architect of chaos. The two big functions of chaos are **revolution and war.** The French and Russian Revolutions are principle examples, in particular, the period of history between; 1913 – 1920.

56. 1913 - BANKING AND FREEMASONRY

Creation of the Federal Reserve Banking Cartel based in America but run by Germans in the initial foundation, in particular Paul Warburg who came out of Germany in 1910 as a German immigrant but by 1913 was the head of the newly formed **Federal Reserve banking cartel** – a banking cartel of banking corporations not accountable to the people of America or American Congress, using the banking practice, known as **fractional reserve banking**, was able to create credit and as a result; **unlimited funds.** Today, these funds are still growing and are being used throughout the world's banking structure to achieve a very evil intent – **worldwide control of both the people and their resources.**

57. 1914 – 18 THE FIRST WORLD WAR.

58. 1919 THE VERSAILLES PEACE TREATY

Paul Warburg attended in the capacity of Head of the Federal Reserve Banking Cartel, his brother Max also attended as Head of the German Secret Service.

59. 1918 - BRITISH ROYAL FAMILY NAME CHANGE

The British Royal Family changed their name from the German House of Hanover to the House of Windsor.

60. 1918-20 THE RUSSIAN REVOLUTION

The Russian Revolution and the destruction of the Monarch Family introduced a structure and development of the **Antichrist system** known as **Communism**, the complete omission and reference to Jesus Christ, the rock of Christianity, in direct conflict with communism and its twin; **Socialism**, both structures and beliefs becoming the **cornerstone of the Trade Union structure**.

61. FABIAN SOCIALISM

The creator and creation of the British Labor Party was the organisation known as the Fabian Society which is a front for Socialism. The Australian Labor Party is the product of this background and by the use of the Trade Union funds is a powerful organisation operating with far reaching effects in Elections

62. HAWKE AND GILLARD

Both individuals are former Prime Ministers of Australia, both are Labor Party front line people, both are socialists, both have given speeches at Fabian Society international meetings, both speeches are on public record.

63. ADOLF HITLER – (1922-1945). POLAND

In the period of history, Hitler was arrested and charged for the German offence of treason in the year 1922. By 1923, Hitler was out and about. In the year 1933, Hitler made a concordat with Vatican City, in the same year had removed the former German Oath of Allegiance and had converted the Oath of Allegiance to himself. In 1939 in collusion with **Stalin and Russia** both invade Poland and activated World War II.

64. AUSTRALIA AND CHAOS

Within Australia today, we have inherited this European background of Masonic manipulation involving Trade Unions, Banks, Corporations and Constitutions and purported Oaths of Allegiance and/or Oaths of Office.

65. THE MASONIC INTENT- ECONOMIC COLLAPSE

In accordance with Masonic history, the Masonic intent concerning Australia is to destroy the Constitution, both State and Commonwealth and at a certain period of time; collapse the economic structure to create chaos – their hallmark.

66. THE SALE OF THE BANK-1991

The average Australian does not know that the **Commonwealth Bank** was sold and the sale finalised when the articles arrived at the Australian Securities Commission April 1991. This was a specific agenda to remove the Commonwealth Bank from the people of Australia and move **The Bank** into and under the corporation umbrella. The two principal agents working within Australia to make this happen were **Hawke and Keating**. Page 3 of the articles lodged in April 1991 does not have the **required witness signature**.

67. HAWKE 1984 – 1986

In the history of Australia one of the principal documents from the United Kingdom into Australia was the “**letters patent**” such document being the beginning of Federation for the colonies to become states and for the respective states to federate into the Commonwealth of Australia.

To enable the enactment of the Australia Act in 1986, **Mr Hawke went to Scotland** and signed new letters patent purportedly repealing the former letters patent creating Federation without the knowledge and consent of the people, **in particular the electors**.

68. HAWKE AND THE FABIAN SOCIALISTS – 1984

In the year 1984, Mr Hawke was the principal speaker at Melbourne Victoria for the International gathering of the Fabian Socialists. The speech is a public record and contains the words “**at the right moment we shall strike**”.

69. HAWKE AND ISRAEL – SECTION 44

When the Commonwealth politicians attempted to remove Section 44 from the Commonwealth Constitution Professor Blackshield, a Professor in Law, submitted a paper into a Parliamentary Committee stating that Mr Hawke

would have a case to answer in relation to disqualification under Section 44 because at the time Mr Hawke was an Honorary Citizen of Israel.

70. KNIGHTS OF ST JOHN OF JERUSALEM – 1540

In the year 1540, the Knights of St. John of Jerusalem were banned by Statute Law from the United Kingdom. There is no evidence currently available of any repeal of this particular banning activated in 1540.

71. BRYCE, CHERNOV AND SANDERSON (Three Governors)

These three individuals are members of the Knights of St John of Jerusalem, which purportedly functions and exists out of Vatican City at Rome in Italy. The Masonic intent involves **Jerusalem in Israel**.

72. BRYCE WAS A FORMER GOVERNOR GENERAL

Quentin Bryce was Governor (Qld). Later became the Governor-General.

73. SUPREME COURT JUDGE- (ALEX CHERNOV)

Chernov was a former Supreme Court judge and went on to become the Governor of the State of Victoria. Alex Chernov was also one of the five Supreme Court judges in 2001 that refused to permit a Grand Jury under Section 354 Crimes Act 1958 Victoria from hearing and determining the criminal offence committed by every Freemason – that offence involves the taking and administering of unlawful oaths within Victoria and the Commonwealth of Australia. **The offence is law at Section 316 of the Crimes Act 1958 Victoria.**

Each and every Masonic oath/obligation both – taken and administered by freemasons is a criminal breach of Section 316 Crimes Act 1958 Victoria.

74. MICHAEL JEFFREY- FORMER GOVERNOR FORMER GOVERNOR-GENERAL

This particular man is a Freemason which means that he has a dual allegiance, one to the Commonwealth of Australia, the other to the structure and purpose of Freemasonry. One is public the other is concealed. Michael Jeffrey is a decorated war veteran – Major General – at one time, the head of the SAS based at Perth, Western Australia. In the year 1993, he became a West Australian Freemason purportedly operating under the Victorian Masonic Warrant.

In the same year, Michael Jeffrey became the Governor of the State of Western Australia after which Michael Jeffrey went on to become the Governor General of Australia, Michael Jeffrey was the Governor General when Governor John Sanderson removed Her Majesty and substituted himself into laws within Western Australia.

75. JEFFREY, RUDD AND GILLARD

When Rudd and Gillard went on to form a Government within Australia 2007, neither Rudd nor Gillard took the constitutional Oath of Allegiance, both refused to take the oath but Michael Jeffrey the then Governor General permitted their refusal, because it suited and permitted the intent and purpose of Freemasonry and International Socialism, **inclusive of The United Nations Agenda for Australia under the concealed umbrella of (The Trustee over Australia 1948)**

75A.THE GREAT AUSTRALIAN ROBBERY

Romans 7:14

“For we know that the law is spiritual”:

76. SPIRITUAL ROBBERY

At all material times whenever anyone deals with law it is spiritual because the scriptures state “the law is spiritual”.

When the Europeans first came into the land now known as Australia, which was at that time occupied by indigenous people who had their own law, the Europeans; in particular, the people from the United Kingdom whose capital city was and remains London in England; brought into Australia two sets of law – one public, the other secret.

A. The spiritual law of the Father, Son and Holy Spirit – Christianity.

B. The spiritual law of the secret world of Freemasonry – a worldwide spiritual web of spiritual knowledge and deception.

76. SPIRITUAL ROBBERY OR SPIRITUAL SLEEP

To enable the criminal amendments and alterations to the law within Australia without the knowledge and understanding of the people, the population must

first be put to sleep, a **spiritual sleep** so that even when the facts become evident the people will do nothing because they have been and continue to be asleep in spirit. This gives meaning to the words in scripture, “**will a man rob God**”.

77. TEACHING OCCULT SCIENCE

Within the secret world of Freemasonry, the Masonic membership certificate contains the words, “**teaching occult science**”. This is the spiritual world of the occult and the greatest weapon is **spiritual deception**.

78. THE CRAFT AND TEMPLE BAR (LONDON)

Within the world of Freemasonry and Freemasons, the Secret Society is known as “**the craft**” for deception purposes, but, whenever and wherever occult deception is favoured the real meaning will be reversed - two examples:

A. The Craft, or the Craft of the witch – witchcraft

B. Temple Bar in London, or the Bar at the Temple

The bar refers to the legal bar table, the **temple** refers to the House of the Temple situated at London within England, within the United Kingdom.

In accordance with Masonic law and tradition all law and finances flow from this temple, the Masonic Temple.

79. FREEMASONRY AND WITCHCRAFT

Whenever and wherever any person is dealing with spiritual issues or law, two spiritual kingdoms are always involved and at work:

A. the spiritual kingdom of the Father, comprising the Father, Son and Holy Spirit

B. the spiritual kingdom of the mother

The secret occult world of Freemasonry is the spiritual world of **the Mother**, which is the principle reason why Freemasonry is in direct scripture and spiritual conflict with the spiritual kingdom of the Father.

80. TWO SCRIPTURES IN CONFLICT

The physical and spiritual content of two chapters of scripture reveal the spiritual conflict. The two chapters are both from the Old Testament prophet Isaiah.

Isaiah Chapter 45 – the Father speaking

“I am and none else beside me”

Isaiah Chapter 47 – the Female speaking

“I am and none else beside me”

The second scripture reveals the spiritual intent and conflict and is the sole reason why the spiritual commission from God the Father for Moses to confront Pharaoh in Egypt was and remains the double **“I am”**.

“I am that I am” but in keeping with Masonic perverting of scripture, when a Freemason draws his sword from a scabbard and holds the sword in the air, he states, **“I am that I am”**. The Counterfeit

81. SUPREME COURT AND COUNTY COURT (VICTORIA)

At Melbourne the capital of the State of Victoria, Australia on the corner of William Street and Lonsdale Street sit two particular courts; the Supreme Court of Victoria and the County Court of Victoria – both operate in the **spiritual kingdom of the Mother**, evidenced by the depiction of the female on the outside of both courts, one sits above the main entrance to the Supreme Court, the other is on the front of the County Court, in direct spiritual conflict with the content and intent of the ten commandments given to Moses.

82. THE FEMALE SPIRITUAL OPPONENT

Within the scriptures the female spiritual opponent is revealed in plain sight, but, unfortunately is concealed by people who work in the spiritual kingdom of the mother, which is the principal reason why Freemasons and others have been able to gain control of Law Courts and Parliaments. Such control begins on the floor of the Masonic lodges, where the Masonic rituals and oaths are taken for and of behalf of the female spiritual opponent of Almighty God – **The Mother**

83. THE JEWISH AND MUSLIM ISSUE

Today, this particular issue is the largest issue threatening peace. Neither community has the spiritual ability to see or discern the intent and actions of the spiritual mother, because the Jewish Rabbi fails to reveal the spiritual mother revealed in the Old Testament and all Old Testament and New Testament scriptures revealing and exposing this **spiritual mother** are omitted from the **Koran**, creating a worldwide conflict where the two appear to be and are actually in direct conflict with each other, but, in spiritual reality work for the **same spiritual mother**, with tragic and violent consequences.

84. FREEMASONS AND PARLIAMENTS

Because Freemasonry exists and operates in secrecy and deception it has been able; by placing Freemasons into every political party within Australia; to create a **secret political party** that does not require political registration or any type of disclosure or accountability and must vote on the Masonic side in every issue once the Masonic order has been given out from the Masonic Lodge. This is the principal reason why specific bills became Acts of Parliament without the knowledge or consent of the voting people.

85. FREEMASONS AND COURTROOMS

Within the Supreme Court of Victoria, there exists a Masonic Lodge known as "**The Legal Lodge**" comprising officers of the Victorian Supreme Court. This purported "legal lodge" appears in the publication titled, "Freemasonry Victoria" Issue No. 90 November 2001 and mentions Mr Terry Bates.

86. JUSTICE DODDS-STRETTON (VICTORIA)

During the course of the civil trial litigation matter involving the National Bank and the Walter family, Mr Terry Bates received a witness summons in relation to the Masonic Supreme Court membership. The presiding judge, Justice Dodds-Stretton would not permit witness box examination or cross-examination, instead asked questions of Mr Bates from the bench and dismissed him.

87. GOVERNOR JOHN LANDY (NOVEMBER 2001)

The front cover of "Freemasonry Victoria" Issue No. 90 dated November 2001, shows the Masonic Grand Master John Wilson with the Victorian State Governor John Landy attending the Masonic Federation celebration at the Masonic centre of Victoria Dallas Brookes Hall, Melbourne in Victoria.

88. WERRIBEE MASONIC LODGE

The same publication at page 6 mentions the Werribee Masonic Lodge, Lodge 187 and states that it was founded on October 3, 1901 by Freemason Robbie Burns and first met in the Werribee Shire Offices which was purchased by the Lodge in 1910 and *remains* as Werribee's Masonic centre today. The Foundation master was Angus McNaughton, a former journalist and four times Werribee Council chairman.

89. JULIA GILLARD AND PETER LALOR – WERRIBEE VICTORIA.

The Federal seat occupied by Julia Gillard was Lalor, situated at Werribee, Victoria, Australia. The seat is named after Peter Lalor, the infamous miner responsible for the Eureka stockade at Ballarat, who went on to become a politician in Victoria.

90. EUROPEAN COURT MASONIC WIN

The same publication mentioned above at page 11 mentions that the European Court has ruled European Governments cannot compel masons to declare membership as a condition of employment. September, October, November 2004

The same publication mentioned herein at pages 17-20 depicts Freemasonry Victoria's September communication a Centenary of Federation through Masonic eyes. This is the celebration attended by Governor John Landy (November 2001).

91. THE PUBLICATION OMISSION – GRAND JURY APPLICATION

What is omitted from the Masonic publication – the same publication that revealed the European Court decision – was the fact that five Supreme Court judges did preside over a Grand Jury application (2001) filed against the Victorian Freemasonry Corporate structure in relation to a criminal offence of

taking and administering unlawful oaths within Victoria, in Criminal Breach of Section 316 Crimes Act 1958 Victoria.

This Supreme Court hearing was omitted from the November Masonic Publication, in accordance with Masonic deception.

92. THE HEARING – OCTOBER 2001

Five judges of the Victorian Supreme Court heard the Grand Jury application and refused the application to form a Grand Jury under or in accordance with Section 354 Crimes Act 1958 Victoria.

93. THE CONCEALMENT AND PERVERTING (2001)

In accordance with the condition found at Section 78B of the Judiciary Act 1903 (Commonwealth), all Attorney Generals were notified prior to the hearing 2001. The principle constitutional issue raised in the notice concerned the purported validity of the Enactment/Royal Assent of the 1975 Victorian Constitution Act, based on the evident fact that the Victorian Constitution Act of 1855 was a United Kingdom Act and as such the Victorian Parliament would not have had the valid constitutional jurisdiction to purportedly repeal the United Kingdom Act of 1855 and enact the 1975 Victorian Act.

The State Governor of Victoria at the time was Henry Winneke, a Masonic member of Grand Lodge Freemasonry Victoria with his son Michael, the Associate of President John Winneke – son of Henry Winneke. (Both now Deceased)

94. THE GRAND JURY APPLICATION HEARING

Resulting from the constitutional notice, one Attorney General did intervene into the hearing – Mr R. Hulls, a state politician and Attorney General for the State of Victoria. The real purpose of the intervention was to make application, after leave to appear was granted to have the established matter of *Byrne v. Armstrong* (1889) overturned, because the matter stated that, **“The Court has no discretionary power but to order the Grand Jury be formed when the affidavit reveals an indictable offence.”**

95. I State that **THE MOST SUCCESSFUL PART OF ANY ROBBERY IS TO KEEP THE VICTIM IGNORANT OF THE ACTUAL ROBBERY**
