Justice of the High Court of Australia
Dated 26 of October 2010

STATEMENT OF FACTS

The Respondent's Criminal Offence

Fact No 1. (The Criminal Charge Remains Pending)

The unlawful and illegal removal of the Crown within Western Australia not only attacked the Constitution of the State and fractured Federation, but, committed criminal offences in so doing the Respondent Julia Gillard by concealing the true facts concerning Western Australia was formally charged by the Petitioner in the period 15th December 2006 and 29th January 2007. A Grand Jury Application remains pending at the Full Court Supreme Court of Victoria where it was lodged on 29th January 2007, but, concealed from the electorate. The words of the criminal charge are:

40 "On 1st January 2004, the Government of Western Australia at Perth, Western Australia, inclusive of the Executive Legislature and Judicial arms, in agreement with "the Commonwealth", did enact an overt Act, titled, "Acts Amendment and Repeal Courts and Legal Practice Act 2003 WA".
By such enactment an Act of Treason was committed.
Such Treason has been concealed by the defendant, since the date of enactment up to and inclusive of the present date"

Fact No 2. (Form 60 and Section 44)

When the respondent Julia Gillard signed her nomination form 60 Australian Electoral Commission, stating that the respondent was not by virtue of section 44 of the Commonwealth Constitution incapable of being Chosen or of Sitting as a Member of the House of Representatives. The Respondent committed fraud by concealing the evident fact that on 29th January 2007 after passing through the Melbourne Magistrates Court, on the same day a formal Grand Jury Application was lodged involving the Respondent in the Criminal Jurisdiction of the Full Court Supreme Court

90 Fact No 5. (Fraud on the Electorate)
 The enactment of such legislation created fraud on the electorate of the State of Western Australia in addition to the electorate of the Commonwealth of Australia. *Thereby creating a fraudulent election* voiding the actual election and respondent's purported claim to the Seat of Labor in Victoria

Bail Act 1982
Children's Court of Western Australia Act 1988
The Criminal Code amended
Director of Public Prosecutions Act 1991
District Court of Western Australia Act 1969
Family Court Act 1997
Juries Act 1957
Justices Act 1902
Local Courts Act 1904
Supreme Court Act 1935

70 Fact No 4. (The Fraudulent Acts of Western Australia)
 The above mentioned Act at Part 8 of such Act amended the following Acts within Western Australia

70 Fact No 3. (The Overt Act in Western Australia)
 In the period 2003/2004 the State of Western Australia removed the Crown of the United Kingdom of Great Britain and Ireland and required Oath of Allegiance, by unlawful enactment of the overt Act titled "*Acts Amendment and Repeal Courts and Legal Practice Act 2003 WA*". (The Act)
 This particular Act placed the State of Western Australia in an invalid constitutional condition in relation to the Commonwealth Constitution and as such committed Fraud in the election

Victoria. *Such Application remains pending, yet to be heard and as such the Respondent signed the Form 60 Fraudulently*

Breach of Allegiance is Treason

Fact No 6. (The Criminal Offence of Breach of Allegiance)

The criminal offence of treason activates in law when the Allegiance founded within the Constitution is breached. In law Breach of Allegiance activates the offence of Treason and as such the only valid jurisdiction to hear and determine such offence is that of a *Grand Jury*.

The respondent is one of a number of defendants yet to be heard by Grand Jury process in the State of Victoria, by Application lodged 29th January 2007 by the Petitioner

Fact No 7. (The Criminal Offence of Treason)

The criminal offence of Treason is in both State and Commonwealth Crimes Acts, in particular, but not limited to this particular Act, *Criminal Code Act 1995 (Commonwealth) Section 80*, "*The Security of the Commonwealth*" and as such the penalty is *Life Imprisonment*. The penalty is the same for concealing the actual treason

Fact No 8. (Law Relating to Treason)

Concealment of Treason

"It was allowed it was felony and so included misprision etc. as a result of this case. It was held that every treason or felony included misprision. The King used to take advantage of this Rule in case of treason, so that, if the man did not deserve the death penalty, he was indicted only with "misprision of treason". Now concealment of treason was itself treason"

[*Sykes v Directors of Public Prosecutions, All England Law Reports, 1961 3 ALLER 33 (at 36)*]

Misprision of Treason

"This is properly when anyone learns or knows, that another has committed treason or felony, and he does not choose to denounce

Fact No 10. (Breach of Allegiance and Case Law)

“Concealment may in some cases amount to evidence of assent or possibly of conspiracy, and in such case the person concealing the Treason would be liable as a principal”

Fact No 11. (Concealed Removal of the Queen)

Fact No 12. (Act of Settlement UK)

The Act of Settlement 1700 (UK) is the United Kingdom Act that

determines the succession of the United Kingdom Crown, and the conduct

and removal of Judges not the Western Australia Act (*The Overt Act*)

Halsbury's Laws of England 2nd Edition Vol 6 at page 423 par 440

states:

inconsistent with the Commonwealth Constitution at section 49. Legislation

within Western Australia did unlawfully and fraudulently alter the Power,

280 Fact No 14. (Inconsistency Invalidates)
 Within the State of Western Australia by enactment on 1st January 2004 of
 such over Act titled "Acts Amendment and Repeal Courts and Legal

Constitutional and Criminal Fraud in Western Australia

Fact No 19. (State Senators)

The enactment of such legislation (*The Overt Act*) which was concealed from the electorate of Western Australia created a Constitutional breach whereby *Senators within Western Australia* did not inform their respective electorates of the removal of the Crown of the United Kingdom of Great Britain and Ireland or the removal of the required Oath of Allegiance

560 The only jurisdiction containing a *Grand Jury Right* is found at section 354 of the Crimes Act 1958 Victoria, this legal Right remains valid law today because of the criminal offence committed by all Politicians sitting in the Parliament of Victoria on 5th September 2000 in that the Oath of Allegiance was removed from the Legal Practice Act 1996 Victoria without any referendum whatsoever by unlawful and fraudulent enactment of the Act titled "*Courts and Tribunals Legislation (Further Amendment) Act 2000*"

Fact No 34. (Unlawful Legislation)

550 The above mentioned Legal and Constitutional fact also voids all purported legislation from Politicians sitting in the Parliament of Victoria because of the criminal offences activated and committed by such Politicians by unlawful enactment of legislation that not only is "*Beyond Power*" but was and *remains a concealed attack* upon the Constitution of the State and of the Commonwealth by Sabotage

Fact No 33. (Beyond Power Legislation)

The removal of the Oath of Allegiance from the Legal Practice Act 1996 Victoria involves all *Officers of the Supreme Court of Victoria* and as such makes void all decisions of such Court because of *Fraud on the Court* by Officers of such Court who *have concealed the fact from the electorate and clients*

Fact No 32. (Fraud on the Court)

540 Such legislation did *remove the Oath of Allegiance* to serve Queen Elizabeth the Second, the *legal and constitutional* owner of such State Constitution, from the *Legal Practice Act 1996 Victoria*, thereby activating the criminal element and offence of *Treason (Breach of Allegiance)* in full breach of the Commonwealth Referendum result 6th November 1999, thereby placing the Parliament and State of Victoria in an invalid condition in relation to the Constitution of the Commonwealth of Australia

Fact No 35. (Indictment by Grand Jury)

The only competent jurisdiction to obtain an indictment for the criminal offence of *Treason and Misprision of Treason* is that of a Grand Jury

legislation to abort this jurisdiction and Right to go before a Grand Jury in Victoria is invalid in addition to *compounding criminal offences* for

580 attempting to pervert the Course of Justice

Compounding offences

Any person who asks receives or obtains, or agrees to receive or
