Dirty Downfall of Sir Joh

Dear Sir

Please allow me space in your paper to comment on the downfall of Sir Joh Bjelke Petersen and the National Party in Queensland.

I was always of the opinion that the "Fitzgerald Inquiry" was the reason for their demise. But that was not the case, the real reason was that Sir Joh and his National Party had decided to implement a "State Bank" and create the money needs of the state and with the push "Joh for Canberra" the Zionist world bankers realised that he would restore the Commonwealth Bank to its former glory and create Australia's money needs also. All states would follow his lead.

Remember Meyer Rothchild's infamous words "Allow me to create a nation's money needs and I don't care who governs."

Not wanting to lose their power over this country or their high interest on their created money these Zionist world banker had two of their stooges in Phillip Lynch and Sir Robert Sparkes (both against Australia creating its own money) have an Airforce plane fly them and Sir Joh to a secret meeting in Townsville Air Base where they met Henry Kissinger and Rockefeller who warned Sir Joh about forming a "State Bank" and creating his own credit.

Knowing Sir Joh you would be aware that he would not succumb to threats and it was here that threats were made about his family (it was at this time he told the media of these threats).

Up until 1923 Australia's money needs were created by the Commonwealth Bank after 1923 the money was provided by private banks and insurance houses against the constitutional will of the Australian people we were no longer the lucky rich country.

The Townsville secret meeting was a conspiracy against this country and its people and is nothing less than treasonable in its outcome and any political parties involved in any form are guilty of coercion and treason.

This is the true story of the downfall of Sir Joh and the National Party in Queensland.

Thanking you in anticipation of publication.

Yours faithfully

*BRUCESTONE
ON THE
CHURCH OF ENGLAND
AND THE
CHRISTIAN RELIGION.*

CHURCH of ENGLAND LAW INTRINSICALLY MARRIED TO THE LAWS
of ENGLAND: QUOTING BLACKSTONE COMMENTARIES, VOL 4,
CHAPTER 4. 1769. Page 44.

" OF OFFENSES AGAINST GOD and RELIGION " .

" TO THIS END IT WAS ENACTED BY STATUTE 9 & 10 W.111.
c 32, THAT IF ANY PERSON EDUCATED IN, OR HAVING MADE
PROFESSION OF, THE CHRISTIAN RELIGION, SHALL BY WRITING,
PRINTING, TEACHING, OR ADVISED SPEAKING, DENY THE
CHRISTIAN RELIGION TO BE TRUE, OR THE HOLY SCRIPTURES TO
BE OF DIVINE AUTHORITY, HE SHALL UPON THE FIRST OFFENSE
BE RENDERED INCAPABLE TO HOLD ANY OFFICE OR PLACE OF
TRUST, AND, FOR THE SECOND, BE RENDERED INCAPABLE OF
BRINGING ANY ACTION, BEING GUARDIAN, EXECUTOR, LEGATEE,
OR PURCHASER OF LANDS, AND SHALL SUFFER THREE YEARS
IMPRISONMENT WITHOUT BAIL. TO GIVE ROOM HOWEVER FOR
REPENTANCE, IF, WITHIN FOUR MONTHS AFTER THE FIRST
CONVICTION, THE DELINQUENT WILL IN OPEN COURT PUBLICLY
RENOUNCE HIS ERROR, HE IS DISCHARGED FOR THAT ONCE FROM
ALL DISABILITIES " .

Considering that this LAW CAME FROM ENGLAND it was
assumed beyond question that ALL IN ENGLAND were educated
in the CHRISTIAN RELIGION, and that their places
requiring TRUST and AUTHORITY, would be filled by people
who obeyed the LAWS OF CHRISTIANITY, such as the MONARCH,
the ARCHBISHOP of CANTERBURY, all the CLERGY, GOVERNMENT
OFFICIALS, in ENGLAND and the lands of the COMMONWEALTH.

THIS HAS NOT TURNED OUT TO BE SO.

EZEKIEL CHAPTER 19 KJV

388.

- 1 Moreover take thou up a lamentation for the princes of Israel,
- 2 And say, What *is* thy mother? A lioness: she lay down among lions, she nourished her whelps among young lions.
- 3 And she brought up one of her whelps: it became a young lion, and it learned to catch the prey; it devoured men.
- 4 The nations also heard of him; he was taken in their pit, and they brought him with chains unto the land of Egypt.
- 5 Now when she saw that she had waited, *and* her hope was lost, then she took another of her whelps, *and* made him a young lion.
- 6 And he went up and down among the lions, he became a young lion, and learned to catch the prey, *and* devoured men.
- 7 And he knew their desolate palaces, and he laid waste their cities; and the land was desolate, and the fulness thereof, by the noise of his roaring.
- 8 Then the nations set against him on every side from the provinces, and spread their net over him: he was taken in their pit.
- 9 And they put him in ward in chains, and brought him to the king of Babylon: they brought him into holds, that his voice should no more be heard upon the mountains of Israel.
- 10 Thy mother *is* like a vine in thy blood, planted by the waters: she was fruitful and full of branches by reason of many waters.
- 11 And she had strong rods for the sceptres of them that bare rule, and her stature was exalted among the thick branches, and she appeared in her height with the multitude of her branches.
- 12 But she was plucked up in fury, she was cast down to the ground, and the east wind dried up her fruit: her strong rods were broken and withered; the fire consumed them.
- 13 And now she *is* planted in the wilderness, in a dry and thirsty ground.
- 14 And fire is gone out of a rod of her branches, *which* hath devoured her fruit, so that she hath no strong rod *to be* a sceptre to rule. This *is* a lamentation, and shall be for a lamentation.

" Lamentation Chapter 2 "

ZECHARIAH CHAPTER 5 KJV

1 Then I turned, and lifted up mine eyes, and looked, and behold a flying roll.

2 And he said unto me, What seest thou? And I answered, I see a flying roll; the length thereof *is* twenty cubits, and the breadth thereof ten cubits.

3 Then said he unto me, This *is* the curse that goeth forth over the face of the whole earth: for every one that stealeth shall be cut off as on this side according to it; and every one that sweareth shall be cut off as on that side according to it.

4 I will bring it forth, saith the LORD of hosts, and it shall enter into the house of the thief, and into the house of him that sweareth falsely by my name: and it shall remain in the midst of his house, and shall consume it with the timber thereof and the stones thereof.

5 Then the angel that talked with me went forth, and said unto me, Lift up now thine eyes, and see what *is* this that goeth forth.

6 And I said, What *is* it? And he said, This *is* an ephah that goeth forth. He said moreover, This *is* their resemblance through all the earth.

7 And, behold, there was lifted up a talent of lead: and this *is* a woman that sitteth in the midst of the ephah.

8 And he said, This *is* wickedness. And he cast it into the midst of the ephah; and he cast the weight of lead upon the mouth thereof.

9 Then lifted I up mine eyes, and looked, and, behold, there came out two women, and the wind was in their wings; for they had wings like the wings of a stork: and they lifted up the ephah between the earth and the heaven.

10 Then said I to the angel that talked with me, Whither do these bear the ephah?

11 And he said unto me, To build it an house in the land of Shinar: and it shall be established, and set there upon her own base.

PROVERBS CHAPTER 7 KJV

- 1 My son, keep my words, and lay up my commandments with thee.
- 2 Keep my commandments, and live; and my law as the apple of thine eye.
- 3 Bind them upon thy fingers, write them upon the table of thine heart.
- 4 Say unto wisdom, Thou *art* my sister; and call understanding *thy* kinswoman:
- 5 That they may keep thee from the strange woman, from the stranger *which* flattereth with her words.
- 6 For at the window of my house I looked through my casement,
- 7 And beheld among the simple ones, I discerned among the youths, a young man void of understanding,
- 8 Passing through the street near her corner; and he went the way to her house,
- 9 In the twilight, in the evening, in the black and dark night:
- 10 And, behold, there met him a woman *with* the attire of an harlot, and subtil of heart.
- 11 (She *is* loud and stubborn; her feet abide not in her house:
- 12 Now *is she* without, now in the streets, and lieth in wait at every corner.)
- 13 So she caught him, and kissed him, *and* with an impudent face said unto him,
- 14 *I have* peace offerings with me; this day have I payed my vows.

15 Therefore came I forth to meet thee, diligently to seek thy face, and I have found thee.

16 I have decked my bed with coverings of tapestry, with carved *works*, with fine linen of Egypt.

17 I have perfumed my bed with myrrh, aloes, and cinnamon.

18 Come, let us take our fill of love until the morning: let us solace ourselves with loves.

19 For the goodman *is* not at home, he is gone a long journey:

20 He hath taken a bag of money with him, *and* will come home at the day appointed.

21 With her much fair speech she caused him to yield, with the flattering of her lips she forced him.

22 He goeth after her straightway, as an ox goeth to the slaughter, or as a fool to the correction of the stocks;

23 Till a dart strike through his liver; as a bird hasteth to the snare, and knoweth not that it *is* for his life.

24 Hearken unto me now therefore, O ye children, and attend to the words of my mouth.

25 Let not thine heart decline to her ways, go not astray in her paths.

26 For she hath cast down many wounded: yea, many strong men have been slain by her.

27 Her house *is* the way to hell, going down to the chambers of death.

The STATUS of JUSTICE ABOVE THE VICTORIAN
Sydney Court at MacBOWDEN IS THE
PERSONIFICATION of THIS WOMAN.

EZEKIEL CHAPTER 31 KJV

1 And it came to pass in the eleventh year, in the third *month*, in the first *day* of the month, *that* the word of the LORD came unto me, saying,

2 Son of man, speak unto Pharaoh king of Egypt, and to his multitude; Whom art thou like in thy greatness?

3 Behold, the Assyrian *was* a cedar in Lebanon with fair branches, and with a shadowing shroud, and of an high stature; and his top was among the thick boughs.

4 The waters made him great, the deep set him up on high with her rivers running round about his plants, and sent out her little rivers unto all the trees of the field.

5 Therefore his height was exalted above all the trees of the field, and his boughs were multiplied, and his branches became long because of the multitude of waters, when he shot forth.

6 All the fowls of heaven made their nests in his boughs, and under his branches did all the beasts of the field bring forth their young, and under his shadow dwelt all great nations.

7 Thus was he fair in his greatness, in the length of his branches: for his root was by great waters.

8 The cedars in the garden of God could not hide him: the fir trees were not like his boughs, and the chesnut trees were not like his branches; nor any tree in the garden of God was like unto him in his beauty.

9 I have made him fair by the multitude of his branches: so that all the trees of Eden, that *were* in the garden of God, envied him.

10 Therefore thus saith the Lord GOD; Because thou hast lifted up thyself in height, and he hath shot up his top among the thick boughs, and his heart is lifted up in his height;

11 I have therefore delivered him into the hand of the mighty one of the heathen; he shall surely deal with him: I have driven him out for his wickedness.

12 And strangers, the terrible of the nations, have cut him off, and have left him: upon the mountains and in all the valleys his branches are fallen, and his boughs are broken

by all the rivers of the land; and all the people of the earth are gone down from his shadow, and have left him. H

13 Upon his ruin shall all the fowls of the heaven remain, and all the beasts of the field shall be upon his branches:

14 To the end that none of all the trees by the waters exalt themselves for their height, neither shoot up their top among the thick boughs, neither their trees stand up in their height, all that drink water: for they are all delivered unto death, to the nether parts of the earth, in the midst of the children of men, with them that go down to the pit.

15 Thus saith the Lord GOD; In the day when he went down to the grave I caused a mourning: I covered the deep for him, and I restrained the floods thereof, and the great waters were stayed: and I caused Lebanon to mourn for him, and all the trees of the field fainted for him.

16 I made the nations to shake at the sound of his fall, when I cast him down to hell with them that descend into the pit: and all the trees of Eden, the choice and best of Lebanon, all that drink water, shall be comforted in the nether parts of the earth. J

17 They also went down into hell with him unto them that be slain with the sword; and they that were his arm, that dwelt under his shadow in the midst of the heathen.

18 To whom art thou thus like in glory and in greatness among the trees of Eden? yet shalt thou be brought down with the trees of Eden unto the nether parts of the earth: thou shalt lie in the midst of the uncircumcised with them that be slain by the sword. This is Pharaoh and all his multitude, saith the Lord GOD.

Common Law

8. JUDICIARY ACT 1903 (CTH) SECTION 80

Common law to govern

*So far as the laws of the Commonwealth are not applicable or so far as their provisions are insufficient to carry them into effect, or to provide adequate remedies or punishment, the **common law** in Australia as modified by the Constitution and by the statute law in force in the State or Territory in which the Court in which the jurisdiction is exercised is held shall, so far as it is applicable and not inconsistent with the Constitution and the laws of the Commonwealth, govern all Courts exercising federal jurisdiction in the exercise of their jurisdiction in civil and criminal matters.*

*

9. TREASON & MISPRISON OF TREASON:

Must be by Grand Jury Exclusively

a. Byrne V Armstrong (1899) 25 VLR 126 (The Indictment)

"That section contemplates an ex parte application founded upon an affidavit disclosing an indictable offence, and that a justice has refused to commit. The court has no discretion once those conditions are complied with. Section 386 shows that so far as Treason is concerned it must be prosecuted by indictment. The Attorney General could not start such a prosecution. It must be by grand jury." (at 126)

if

b. Byrne V Armstrong (1899) 25 VLR 126 (The Finding)

"It is provided now that all the prosecutions shall be by presentment, but preserving the prerogative of the Crown through the Attorney General to proceed by information. except in case of 'treason' which has to be by indictment. Now indictment means by Grand Jury and therefore, inasmuch as the statute provides that Treason shall be tried by indictment only. That means that it must be by Grand Jury and no other means is provided for

8/10.

415

bringing it before a Grand Jury." The finding of the Attorney General is equivalent to the finds of the Grand Jury, but in the case of Treason it must be the finding of the Grand Jury." (at 132)

c. McArdle V Lorne Campbell (Sept 1986) (On Behalf of the Crown)

"Much has changed since 1940 and in particular the Office of Director of Public Prosecutions has been established by Act No 9848 of 1982. Under that Act the Director of Public Prosecutions is charged with preparing, instituting and conducting criminal proceedings on 'behalf of the Crown.' The Director is responsible to the Attorney General for the due performance of his functions and he is given the power to enter a nolle prosequi in criminal proceedings. But the Attorney-General's power to enter a nolle prosequi is preserved in these circumstances, now that the responsibility for instituting criminal proceedings has been taken out of the hands of the Attorney-General, it may be that there is not the same need to have an alternative method of instituting proceedings. When the Office of Director of Public Prosecutions was established S354 of the Crimes Act was amended to substitute the words 'the Director or Public Prosecutions' for the words 'a law officer.' The section therefore now operates where the Director declines to present."

TWO SCRIPTURES

A. Acts Chapter 2 37/39

Now when they heard *this*, they were pricked in their heart, and said unto Peter and to the rest of the apostles, Men *and* brethren, what shall we do?

Then Peter said unto them, Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost.

For the promise is unto you, and to your children, and to all that are afar off, *even* as many as the Lord our God shall call.

B. Revelation Chapter 13 15/18

And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed. *Should be killed*

And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:

And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.

Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number *is* Six hundred threescore and six. *666*

The Great
AUSTRALIAN ROBBERY
By SHAW

AFFIRMED
HOBART - TASMANIA.

499

AFFIDAVIT

I, Brian William Shaw c/o PO Box 800 Werribee 3030 Victoria do state and affirm the following:

THE GREAT AUSTRALIAN ROBBERY

1. When the Governor and Attorney General for the then existing State of Western Australia enacted an Act on the 1st January 2004 the largest robbery in the history of Australia occurred. Essentially two men gained the land and resources inclusive of the entire coastline of Western Australia for themselves and others.

2. **HOW DID THIS HAPPEN – UNITED NATIONS 1948**

To enable this particular robbery extensive criminal collusion had to occur throughout Australia, in particular political collusion, Judicial collusion and Electoral Commission collusion.

3. **THE COLLUSION**

At all times the purpose of the collusion was and remains to keep the people of Australia, in particular the electors completely ignorant in relation to the robbery that has occurred, inclusive of the “**United Nations Involvement.**”

4. **WHAT ROBBERY - 2004**

The Great Australian Robbery that occurred on the 1st January 2004 involved certain politicians within Western Australia introducing **Specific Legislation** into the Parliament of Western Australia and by fraudulent means enabling the legislation to be enacted.

5. **WHAT WAS ENACTED (The Overt Act)**

On the 1st January 2004 the legislation that was enacted was titled

“**Acts Amendment and Repeal Courts and Legal Practices Act 2003**” Number 65 of 2003 Western Australia”.

6. WHAT DID THIS LEGISLATION ENABLE

At Part 8 of the Overt Act the sub-header is

“Amendments about the Crown”

at Part 8; specific Acts already in position and operating within Western Australia were altered and amended.

“All referendums were omitted”

7. THE TEN ACTS AT PART 8 ARE :-

1. **Bail Act 1982 amended.**
2. **Children’s Court of Western Australia Act 1988.**
3. **The Criminal Code Compilation Act 1913.**
4. **Director of Public Prosecutions Act 1991.**
5. **District Court of Western Australia Act 1969.**
6. **Family Court Act 1997.**
7. **Juries Act 1957.**
8. **Justices Act 1902.**
9. **Local Courts Act 1904.**
10. **Supreme Court Act 1935**

8. WHAT WAS REMOVED

Within these particular Act’s.

1. **All references to the Queen/Her Majesty.**
2. **All references to the Crown**
3. **All respective oaths of allegiance.**

9. WHAT WAS SUBSTITUTED

1. **State or the Commonwealth.**
2. **The State of Western Australia**
3. **State.**
4. **Under the Public Seal of the State.**
5. **The Prosecution.**
6. **Armorial Bearings of the State.**
7. **The Governor.**

10. HOW WAS THIS POSSIBLE “REFERENDUMS OMITTED”

1. All statutory referendum requirements were omitted to prevent the people/electors becoming aware of this.
2. At all material times whenever legal issues were raised resulting in court room hearings the Judiciary takes total control and have refused any and all jury involvement to limit exposure.

11. THE HIGHEST COURT IN AUSTRALIA- ROBERT FRENCH

Within Australia the highest court that exists is the High Court consisting of seven judges and as such to enable the judicial concealment of this particular robbery, a Western Australian person was moved into the position of Chief Justice of the High Court in 2008 – Mr. Robert French.

12. THE JUDICIARY IN WESTERN AUSTRALIA

By permitting the Supreme Court Act 1935 (Western Australia) to be included into the overt criminal act already mentioned, all officers of the Supreme Court of Western Australia have enabled and contributed to this **Great Australian Robbery**. The Supreme Court Act 1935 was added to this overt act with 12 subsections, each of the subsections are **criminal acts on their own**.

13. THE JUDICIARY IN VICTORIA

At all material times every officer of the Supreme Court of State of Victoria are principals to the criminal actions that have emanated out of Western Australia, and as such have endeavored to conceal the real facts from the people and electors of The State of Victoria, by refusing that is, not permitting jury trial involvement, so that the electors are completely kept in the dark, in relation to this particular, Great Australian Robbery.

14. WHO IS THE DRIVING FORCE

To enable this type of legislation to pass through respective Parliaments and Courtroom concealment takes a large organization of people to keep the robbery from the People of Australia in particular electors.

The principle driving force and organization is Freemasonry because every member of Freemasonry is bound by specific Masonic Oaths/obligations to
“Conceal and Never Reveal”

15. THE FOREIGN POWER

Every Masonic Lodge operating within Australia belongs to the foreign power of Freemasonry, unfortunately for Australia and Australians the Judiciary of Australia are involved in the concealment and protection of Freemasonry, in particular Masonic Judiciary.

16. QUESTION OF FACT OR QUESTION OF LAW

The average Australian does not know the difference between a question of fact, or a question of law, essentially a question of law is handled exclusively by the judiciary which enables the officers of such courts to control the exposure, but a question of fact is entirely different altogether, because a question of fact is for a jury to determine, - A JURY OF 12-

“This is law in both Civil and Criminal jurisdictions”

17. QUESTION OF FACT > JURY ISSUE

EXAMPLES:

1. *Question of Fact > Jury*

Question 1

“Are officers of the Supreme Court of Western Australia that is the judiciary after 1st January 2004 operating outside of their original *Grant of Power* and as such committing serious

indictable offences against the people of Western Australia inclusive of the people of The Commonwealth of Australia”

2. *Question of Fact > Jury*

Question 2

“Are officers of the Supreme Court of Victoria principal offenders in relation to the concealment of the real facts in relation to what has happened in Western Australia”

3. Question of Fact > Jury

Question 3

“Are officers of the High Court and current Federal Courts actively involved in the concealment of the Great Australian Robbery that has occurred within Western Australia and escalated into the Commonwealth of Australia”

4. Question of Fact > Jury

Question 4

“Are electoral officers currently working within respective Election Commission’s within Australia actively involved in concealing the real facts from the electorates of their respective states and electors of the Commonwealth of Australia”

18. THE ELECTORAL COMMISSIONS – ROGERS /GATELY.

The principal Election Commission is the Commonwealth Electoral Commission enabled by the Commonwealth Constitution Act and The Commonwealth Electoral Act 1918. Respective States have their own Electoral Commissions: within Victoria the Victorian Electoral Commission operates and is enabled by the Electoral Act 2002.

The Electoral Act 2002 for the State of Victoria states that the Victorian Electoral Commission is one person: and currently that person is **Mr. Warwick Gately**.

19. THE ELECTORAL COMMISSION ROLE

At all material times the role of the respective Electoral Commission at Commonwealth Level, State Level, and Council Level is to conduct Elections.

The additional role is to conduct statutory referendums when necessary to enable the electorate to fully understand and get involved in legal and legislative issues before they are able to become Acts.

20. THE REFERENDUM REQUIREMENTS

The referendum requirements are statutory and compulsory, **but they have been omitted** to enable this particular concealment and robbery.

Commonwealth	Constitution : Section 128 and 123
West Australian	Constitution : Section 73 (2)
Queensland	Constitution : Section 53
New South Wales	Constitution : Section 7
Victorian	Constitution : Section 18

To enable the Great Australian Robbery the respective sections have either, been altered, amended, removed or completely ignored.

21. THE ELECTORAL PROCESS

1. Recently the electors of the Commonwealth of Australia voted for respective Senators and House of Representatives for elected people to represent the respective electorates in the Parliament sitting at Canberra A.C.T.
2. The election process was activated when the current Prime Minister Mr. Malcolm Turnbull (2016), requested the Governor General Mr. Peter Cosgrove a military man and RSL Member to dissolve both Houses of the Commonwealth Parliament to cause an election (The Federal Election)

22. THE ELECTION WRITS

After the initial written request, election "Writs" are issued, these writs are issued under the Commonwealth Constitution at **Section 12** for the Senate and at **Section 32** for the House of Representatives writ.

23. THE NOMINATION FORMS

Australian Election Commission

The next process regards the candidates standing for election, this particular process is activated by special nomination forms for Senators and or House of Representatives.

For the Senators the form is **Form 59**.

For the House of Representatives the form is **Form 60**.

For each and all candidates nominees are required to be listed and checked as registered electors.

24. COMMONWEALTH CONSTITUTION – Section 44

Section 44 - The Disqualification Section

On both Forms 59 & 60, Section 44 is fully quoted on the front page with a caution added "*Candidates if you do not understand please seek legal advice before signing*"

25. WHO SIGNS THE WRITS

A. For the Senate – Senators issued under Section 12 of the Commonwealth Constitution;
"The Governor of the State".

B. For the House of Representatives issued under Section 32 of the Commonwealth Constitution
"The Governor-General in Council"

26. THE INVALID WEST AUSTRALIAN WRIT.

On the 1st January 2004 the then Governor of the State of Western Australia John Sanderson at Section 130 of the Acts Amendment and Repeal Courts and Legal Practices Act 2003, with the assistance and consent of the then Attorney General Mr. James McGinty inclusive of respective politicians sitting in the West Australian Parliament amended the Supreme Court Act (The Judiciary) and by such amendment at subsection (3) removed Her Majesty Queen Elizabeth The Second and substituted himself, Mr. Sanderson thereby invalidating any and

all purported election writs relating to, or involving West Australia and voiding the election.

The beginning of the “**Great Australian Robbery**”.

27. THE ENACTMENT

The purported enactment of the “**Acts Amendment and Repeal Court and Legal Practices Act 2003**” (The Overt Act) was enacted effective 1st January 2004 and signed in their purported respective capacities by John Sanderson, the **new** Governor of the State of Western Australia and co-signed by Mr. J. A. McGinty the purported Attorney General for the State of Western Australia.

28. INCONSISTENCY / INVALIDITY

Within Australia the principal binding Act is the Commonwealth Constitution Act from which respective “**Grants of Power**” flow, but any inconsistency with the law of the Commonwealth by a law of a State, results in invalidity of that respective State law by virtue of **Section 109** of the Constitution of the Commonwealth of Australia.

29. THE RESULTANT EFFECT on ELECTORS

The resultant effects of the overt act of Western Australia are;-

- A. The overt Act is invalid**
- B. The Western Australian election writ for Senators of Western Australia is invalid.**
- C. The State election writ for politicians is invalid.**
- D. The West Australian Electoral Commission by failure to hold the State referendum because of statutory requirements contained at **Section 73 (2)** of the West Australian Constitution contributed to and compounded the effect resulting in invalidity.
- E. The resultant West Australian legislation (The Overt Act) has created;-
 - 1. Constitutional Chaos
 - 2. Judicial Chaos
 - 3. Electoral Chaos
 - 4. Financial Chaos
 - 5. Church Chaos
 - 6. Spiritual Chaos

30. ORDER OUT OF CHAOS - FREEMASONRY

Freemasonry is named as the organization that is the driving and controlling body running this discovered attack within Australia.

One of the principle teachings and motto of Freemasonry is **“ORDER OUT OF CHAOS”**

That is Freemasonry will produce chaos first and then appear on the surface to bring order; but at all material times the result will be and must be **“Masonic Order”**

31. UNREGISTERED POLITICAL PARTY – MASONIC MEMBERS

The West Australian Parliament consists of less than 100 Politicians but, the usual Masonic content is 40% and in this concealed capacity become an unregistered political party bound by Masonic edict, and instructed to vote Masonic agendas or amendments into purported law by deception.

32. THE CONSTITUTION OR MASONIC RULE (QUESTION OF FACT)

The critical issue and question now becomes;
Is the Constitution of the Commonwealth of Australia the principal and binding Act –

Or

Does the Masonic Rule and Masonic edicts override.

33. THE PRINCIPAL ISSUE

This is a question of fact, and as such is a jury issue.

34. THE ELECTORATE / ELECTORS (THE IGNORANCE)

The electors are principal to the Constitution of The Commonwealth; they are not privy to Masonic Rule or Edicts and in general have no working knowledge of the existence, function or purpose of Freemasonry.

35. FREEMASONRY AND UNLAWFUL OATHS

- A. Every Freemason must take Masonic oaths/obligations to become a member and to advance into the various ranks and degrees of Freemasonry.
- B. Masonic oaths / obligations are inconsistent with known established law.
- C. Masonic oaths / obligations are in breach of known and established law in relation to the taking and administering of unlawful oaths; for example; Section 316 Crimes Act 1958 Victoria.

36. THE MASONIC WARRANT – UNITED KINGDOM

The warrant to form an operation to (operate) Masonic Lodges within Australia emanated from the **United Kingdom**, but in the year 1999 the High Court of Australia ruled in the Heather Hill matter (Sue v Hill) That the United Kingdom is a foreign power and as such the judgment or rule **if valid in law** makes the United Kingdom Masonic Warrant an invalid warrant, because of foreign power implication emanating from the High Court ruling in 1999 (**Sue v Hill**)

37. CONSTITUTIONAL ALLEGIANCE OR MASONIC ALLEGIANCE

The constitutional allegiance is and remains within the Constitution of the Commonwealth of Australia and respective State Constitutions, the particular allegiance is to the Monarch of the United Kingdom in this instance Queen Elizabeth the Second Her Heirs and Successors.

But.

The Masonic allegiance is to the Supreme Council sitting at London, or rather The City of London. The two allegiances are in direct conflict with each other.

38. THE ALLEGIANCE QUESTION

QUESTION OF FACT

“Which allegiance is to be permitted within Australia”

39. THE JURISDICTIONAL ISSUE

“When the real facts are permitted into open court the matter is both Civil and Criminal Jurisdiction.

40. THE CRIMINAL JURISDICTION (INDICTMENT)

Contained within the Commonwealth Constitution is the right of trial by jury on an indictable offence, this right is found at Section 80 of the respective Act.

41. THE GREAT AUSTRALIAN ROBBERY

The criminal ramifications involve the offences found at Common Law inclusive of Statute Law, in particular:-
The Criminal Code Act 1995 (Cth)
The Crimes Act 1914 (Cth)
The Crimes Act 1958 Victoria and Western Australia

42. THE INDICTMENT

In every criminal trial there must be a valid signed indictment such indictment can be obtained by three sources:-

- A. Public Prosecutions (Commonwealth)
- B. Public Prosecutions (State)
- C. Grand Jury (23 Electors)

43. STATE OR THE COMMONWEALTH

The inclusion of the terminology into the overt act of Western Australia immediately involves and implicates “**The Commonwealth**” and as such removes any purported right by Public Prosecutors State or Commonwealth to interfere or become involved in the matter, other than in the official capacity of “**offenders**” leaving only the Grand Jury function (23 Electors)

44. A GRAND JURY INDICTMENT - 2001

The Crimes Act 1958 (Victoria) at Section 354 did contain a Grand Jury Right, but, when this Statute Right was activated in 2001 the criminal collusion involved the judiciary and politicians to conceal the real facts went into operation. Accordingly the right was unlawfully and criminally removed.

45. TRIAL BY JURY ON INDICTMENT

The Commonwealth Constitution Act is the foundational and principle act governing Australia and the people of Australia. When indictable offences are discovered criminal jurisdiction is invoked the section granting trial by jury on indictment is Section Eighty (80) of the principle Act.

The key and critical component of the stated right is the **“Indictment” any purported State legislation hindering or blocking the indictment right under Section 80 is inconsistent with the principle Act accordingly is invalid.**

46. THE VICTORIAN ACTS

Two principle acts within Victoria are outside the Constitutional Grant of Power” the Acts are:-

- A. Courts and Tribunal Legislation and further Amendments Act unlawfully assented to on the 5th September 2000.
- B. Public Prosecutions Act (Victoria) at Sections 22 & 51 (3)

47. THE LAW BREAKERS – The Electorate

Every Australian is currently breaking the law when voting because statute law under the Commonwealth Constitution has been broken and the breach has not been attended to by the Electorate.

Vexatious or Malicious Prosecution

Vexatious means filing or using the court process without any reasonable cause of action.

Malicious Prosecution means a prosecution that has been instigated with a *malicious intent*.

Vexatious Proceedings Act:- 2014 - Victoria

Who enacted this act!

What section states "on the papers"

"Who introduced the Act"

"What pages are recorded within Hansards" (Vic)

48. POLITICAL AND JUDICIAL COLLUSION

In Section 5 of the Commonwealth Constitution, the United Kingdom portion, the section binds the judges, courts and the people

But

In relation to the courts is that the people are given access to the courts but the courts are ruthlessly controlled by the Judiciary, in particular, where matters are before the courts that involve Judicial **collusion or corruption** that require jury intervention, the Judges will not permit the inclusion of juries into the matter whether it is civil or criminal discovery. But by **misleading and deceptive conduct** trick the electors/the people into maintaining the **evident fraud** by shutting out the people from hearing and judging the real facts of the matter or matters.

49. INTIMIDATING A JURY – WILSON NSW

In the New South Wales Criminal Jurisdiction a man by the name of John Wilson was placed on trial but in the period after the trial one of the jurors wrote to Mr Wilson and stated that the Sheriff and or the Sheriff's deputies repeatedly came into the jury room and **intimidated the jurors** into a conviction.

50. WHY A GRAND JURY (23 ELECTORS)

A Grand Jury is conducted in secret and shuts out judicial corruption or sheriff's intimidation - when a Grand Jury is convened the Grand Jury hears and determines all of the facts, both under the banner of a Question of Law and/or a Question of Fact.

THE INDICTMENT

The purpose and function of a Grand Jury is to issue a valid indictment to enable a criminal trial to take place with 12 jurors/electors sitting in an open court with a judge in attendance.

51. CHAOS IS INBUILT

The Issue of Chaos is the principle factor when judicial and political corruption is involved and uncovered. At all material times, chaos is inbuilt from conception to enable chaos to be created when the time is right. The removal of the Crown and Monarch and Oath of Allegiance without the knowledge or consent of the people; in particular, the electors; activates chaos but **chaos can be both discovered and controlled.**

52. THE JUDICIAL DILEMMA IN AUSTRALIA

No judge acting with reasonable common sense would permit a judgement that would activate chaos without specific reservations or ability to address the pending chaos.

53. THE ELECTORS' DILEMMA

In either a Grand Jury situation or Jury Trial issue, the elector represented by the sitting jurors would; after discovery of the real facts, find themselves in the same situation as the judiciary would in coming to the conclusion **that this will unleash chaos.**

54. THE FRENCH AND RUSSIAN REVOLUTION

Both revolutions unleashed chaos, by using the people to activate the chaos.

55. FREEMASONRY AND CHAOS - DISCOVERY

It is impossible to block or prevent chaos without unwrapping and discovering the functions, purposes and existence of freemasonry, because freemasonry is the architect of chaos. The two big functions of chaos are **revolution and war**. The French and Russian Revolutions are principle examples, in particular, the period of history between; 1913 – 1920.

56. 1913 - BANKING AND FREEMASONRY

Creation of the Federal Reserve Banking Cartel based in America but run by Germans in the initial foundation, in particular Paul Warburg who came out of Germany in 1910 as a German immigrant but by 1913 was the head of the newly formed **Federal Reserve banking cartel** – a banking cartel of banking corporations not accountable to the people of America or American Congress, using the banking practice, known as **fractional reserve banking**, was able to create credit and as a result; **unlimited funds**. Today, these funds are still growing and are being used throughout the world's banking structure to achieve a very evil intent – **worldwide control of both the people and their resources**.

57. 1914 – 18 THE FIRST WORLD WAR.

58. 1919 THE VERSAILLES PEACE TREATY

Paul Warburg attended in the capacity of Head of the Federal Reserve Banking Cartel, his brother Max also attended as Head of the German Secret Service.

59. 1918 - BRITISH ROYAL FAMILY NAME CHANGE

The British Royal Family changed their name from the German House of Hanover to the House of Windsor.

60. 1918-20 THE RUSSIAN REVOLUTION

The Russian Revolution and the destruction of the Monarch Family introduced a structure and development of the **Antichrist system** known as **Communism**, the complete omission and reference to Jesus Christ, the rock of Christianity, in direct conflict with communism and its twin; **Socialism**, both structures and beliefs becoming the **cornerstone of the Trade Union structure**.

61. FABIAN SOCIALISM

The creator and creation of the British Labor Party was the organisation known as the Fabian Society which is a front for Socialism. The Australian Labor Party is the product of this background and by the use of the Trade Union funds is a powerful organisation operating with far reaching effects in Elections

62. HAWKE AND GILLARD

Both individuals are former Prime Ministers of Australia, both are Labor Party front line people, both are socialists, both have given speeches at Fabian Society international meetings, both speeches are on public record.

63. ADOLF HITLER – (1922-1945). POLAND

In the period of history, Hitler was arrested and charged for the German offence of treason in the year 1922. By 1923, Hitler was out and about. In the year 1933, Hitler made a concordat with Vatican City, in the same year had removed the former German Oath of Allegiance and had converted the Oath of Allegiance to himself. In 1939 in collusion with **Stalin and Russia** both invade Poland and activated World War II.

64. AUSTRALIA AND CHAOS

Within Australia today, we have inherited this European background of Masonic manipulation involving Trade Unions, Banks, Corporations and Constitutions and purported Oaths of Allegiance and/or Oaths of Office.

575

65. THE MASONIC INTENT- ECONOMIC COLLAPSE

In accordance with Masonic history, the Masonic intent concerning Australia is to destroy the Constitution, both State and Commonwealth and at a certain period of time; collapse the economic structure to create chaos – their hallmark.

66. THE SALE OF THE BANK-1991

The average Australian does not know that the **Commonwealth Bank** was sold and the sale finalised when the articles arrived at the Australian Securities Commission April 1991. This was a specific agenda to remove the Commonwealth Bank from the people of Australia and move **The Bank** into and under the corporation umbrella. The two principal agents working within Australia to make this happen were **Hawke and Keating**. Page 3 of the articles lodged in April 1991 does not have the **required witness signature**.

67. HAWKE 1984 – 1986

In the history of Australia one of the principal documents from the United Kingdom into Australia was the “**letters patent**” such document being the beginning of Federation for the colonies to become states and for the respective states to federate into the Commonwealth of Australia.

To enable the enactment of the Australia Act in 1986, **Mr Hawke went to Scotland** and signed new letters patent purportedly repealing the former letters patent creating Federation without the knowledge and consent of the people, **in particular the electors**.

68. HAWKE AND THE FABIAN SOCIALISTS - 1984

In the year 1984, Mr Hawke was the principal speaker at Melbourne Victoria for the International gathering of the Fabian Socialists. The speech is a public record and contains the words “**at the right moment we shall strike**”.

69. HAWKE AND ISRAEL – SECTION 44

When the Commonwealth politicians attempted to remove Section 44 from the Commonwealth Constitution Professor Blackshield, a Professor in Law, submitted a paper into a Parliamentary Committee stating that Mr Hawke would have a case to answer in relation to disqualification under Section 44 because at the time Mr Hawke was an Honorary Citizen of Israel.

70. KNIGHTS OF ST JOHN OF JERUSALEM - 1540

In the year 1540, the Knights of St. John of Jerusalem were banned by Statute Law from the United Kingdom. There is no evidence currently available of any repeal of this particular banning activated in 1540.

71. BRYCE, CHERNOV AND SANDERSON (Three Governors)

These three individuals are members of the Knights of St John of Jerusalem, which purportedly functions and exists out of Vatican City at Rome in Italy. The Masonic intent involves **Jerusalem in Israel.**

72. BRYCE WAS A FORMER GOVERNOR GENERAL

Quentin Bryce was Governor (Qld). Later became the Governor-General.

73. SUPREME COURT JUDGE- (ALEX CHERNOV)

Chernov was a former Supreme Court judge and went on to become the Governor of the State of Victoria. Alex Chernov was also one of the five Supreme Court judges in 2001 that refused to permit a Grand Jury under Section 354 Crimes Act 1958 Victoria from hearing and determining the criminal offence committed by every Freemason – that offence involves the taking and administering of unlawful oaths within Victoria and the Commonwealth of Australia. **The offence is law at Section 316 of the Crimes Act 1958 Victoria.**

Each and every Masonic oath/obligation both – taken and administered by freemasons is a criminal breach of Section 316 Crimes Act 1958 Victoria.

74. MICHAEL JEFFREY- FORMER GOVERNOR

FORMER GOVERNOR-GENERAL

This particular man is a Freemason which means that he has a dual allegiance, one to the Commonwealth of Australia, the other to the structure and purpose of Freemasonry. One is public the other is concealed. Michael Jeffrey is a decorated war veteran – Major General – at one time, the head of the SAS based at Perth, Western Australia. In the year 1993, he became a West Australian Freemason purportedly operating under the Victorian Masonic Warrant.

In the same year, Michael Jeffrey became the Governor of the State of Western Australia after which Michael Jeffrey went on to become the Governor General of Australia, Michael Jeffrey was the Governor General when Governor John Sanderson removed Her Majesty and substituted himself into laws within Western Australia.

75. JEFFREY, RUDD AND GILLARD

When Rudd and Gillard went on to form a Government within Australia 2007, neither Rudd nor Gillard took the constitutional Oath of Allegiance, both refused to take the oath but Michael Jeffrey the then Governor General permitted their refusal, because it suited and permitted the intent and purpose of Freemasonry and International Socialism, **inclusive of The United Nations Agenda for Australia under the concealed umbrella of (The Trustee over Australia 1948)**

75A.THE GREAT AUSTRALIAN ROBBERY

Romans 7:14

“For we know that the law is spiritual”:

76. SPIRITUAL ROBBERY

At all material times whenever anyone deals with law it is spiritual because the scriptures state “the law is spiritual”.

When the Europeans first came into the land now known as Australia, which was at that time occupied by indigenous people who had their own law, the Europeans; in particular, the people from the United Kingdom whose capital city was and remains London in England; brought into Australia two sets of law – one public, the other secret.

- A. **The spiritual law of the Father, Son and Holy Spirit – Christianity.**
- B. **The spiritual law of the secret world of Freemasonry – a worldwide spiritual web of spiritual knowledge and deception.**

76. SPIRITUAL ROBBERY OR SPIRITUAL SLEEP

To enable the criminal amendments and alterations to the law within Australia without the knowledge and understanding of the people, the population must first be put to sleep, a **spiritual sleep** so that even when the facts become evident the people will do nothing because they have been and continue to be asleep in spirit. This gives meaning to the words in scripture, **“will a man rob God”**.

77. TEACHING OCCULT SCIENCE

Within the secret world of Freemasonry, the Masonic membership certificate contains the words, **“teaching occult science”**. This is the spiritual world of the occult and the greatest weapon is **spiritual deception**.

78. THE CRAFT AND TEMPLE BAR (LONDON)

Within the world of Freemasonry and Freemasons, the Secret Society is known as **“the craft”** for deception purposes, but, whenever and wherever occult deception is favoured the real meaning will be reversed - two examples:

- A. **The Craft, or the Craft of the witch – witchcraft**
- B. **Temple Bar in London, or the Bar at the Temple**

The bar refers to the legal bar table, the **temple** refers to the House of the Temple situated at London within England, within the United Kingdom.

In accordance with Masonic law and tradition all law and finances flow from this temple, the Masonic Temple.

79. FREEMASONRY AND WITCHCRAFT

Whenever and wherever any person is dealing with spiritual issues or law, two spiritual kingdoms are always involved and at work:

- A. the spiritual kingdom of the Father, comprising the Father, Son and Holy Spirit**
- B. the spiritual kingdom of the mother**

The secret occult world of Freemasonry is the spiritual world of **the Mother**, which is the principle reason why Freemasonry is in direct scripture and spiritual conflict with the spiritual kingdom of the Father.

80. TWO SCRIPTURES IN CONFLICT

The physical and spiritual content of two chapters of scripture reveal the spiritual conflict. The two chapters are both from the Old Testament prophet Isaiah.

Isaiah Chapter 45 – the Father speaking

“I am and none else beside me”

Isaiah Chapter 47 – the Female speaking

“I am and none else beside me”

The second scripture reveals the spiritual intent and conflict and is the sole reason why the spiritual commission from God the Father for Moses to confront Pharaoh in Egypt was and remains the double **“I am”**.

“I am that I am” but in keeping with Masonic perverting of scripture, when a Freemason draws his sword from a scabbard and holds the sword in the air, he states, **“I am that I am”**. The Counterfeit

81. SUPREME COURT AND COUNTY COURT (VICTORIA)

At Melbourne the capital of the State of Victoria, Australia on the corner of William Street and Lonsdale Street sit two particular courts; the Supreme Court of Victoria and the County Court of Victoria – both operate in the **spiritual kingdom of the Mother**, evidenced by the depiction of the female on the outside of both courts, one sits above the main entrance to the Supreme Court, the other is on the front of the County Court, in direct spiritual conflict with the content and intent of the ten commandments given to Moses.

82. THE FEMALE SPIRITUAL OPPONENT

Within the scriptures the female spiritual opponent is revealed in plain sight, but, unfortunately is concealed by people who work in the spiritual kingdom of the mother, which is the principal reason why Freemasons and others have been able to gain control of Law Courts and Parliaments. Such control begins on the floor of the Masonic lodges, where the Masonic rituals and oaths are taken for and of behalf of the female spiritual opponent of Almighty God – **The Mother**

83. THE JEWISH AND MUSLIM ISSUE

Today, this particular issue is the largest issue threatening peace. Neither community has the spiritual ability to see or discern the intent and actions of the spiritual mother, because the Jewish Rabbi fails to reveal the spiritual mother revealed in the Old Testament and all Old Testament and New Testament scriptures revealing and exposing this **spiritual mother** are omitted from the **Koran**, creating a worldwide conflict where the two appear to be and are actually in direct conflict with each other, but, in spiritual reality work for the **same spiritual mother**, with tragic and violent consequences.

84. FREEMASONS AND PARLIAMENTS

Because Freemasonry exists and operates in secrecy and deception it has been able; by placing Freemasons into every political party within Australia; to create a **secret political party** that does not require political registration or any type of disclosure or accountability and must vote on the Masonic side in every issue once the Masonic order has been given out from the Masonic Lodge. This is the principal reason why specific bills became Acts of Parliament without the knowledge or consent of the voting people.

85. FREEMASONS AND COURTROOMS

Within the Supreme Court of Victoria, there exists a Masonic Lodge known as "**The Legal Lodge**" comprising officers of the Victorian Supreme Court. This purported "legal lodge" appears in the publication titled, "Freemasonry Victoria" Issue No. 90 November 2001 and mentions Mr Terry Bates.

86. JUSTICE DODDS-STRETTON (VICTORIA)

During the course of the civil trial litigation matter involving the National Bank and the Walter family, Mr Terry Bates received a witness summons in relation to the Masonic Supreme Court membership. The presiding judge, Justice Dodds-Stretton would not permit witness box examination or cross-examination, instead asked questions of Mr Bates from the bench and dismissed him.

87. GOVERNOR JOHN LANDY (NOVEMBER 2001)

The front cover of "Freemasonry Victoria" Issue No. 90 dated November 2001, shows the Masonic Grand Master John Wilson with the Victorian State Governor John Landy attending the Masonic Federation celebration at the Masonic centre of Victoria Dallas Brookes Hall, Melbourne in Victoria.

88. WERRIBEE MASONIC LODGE

The same publication at page 6 mentions the Werribee Masonic Lodge, Lodge 187 and states that it was founded on October 3, 1901 by Freemason Robbie Burns and first met in the Werribee Shire Offices which was purchased by the Lodge in 1910 and *remains* as Werribee's Masonic centre today. The Foundation master was Angus McNaughton, a former journalist and four times Werribee Council chairman.

89. JULIA GILLARD AND PETER LALOR – WERRIBEE VICTORIA.

The Federal seat occupied by Julia Gillard was Lalor, situated at Werribee, Victoria, Australia. The seat is named after Peter Lalor, the infamous miner responsible for the Eureka stockade at Ballarat, who went on to become a politician in Victoria.

90. EUROPEAN COURT MASONIC WIN

The same publication mentioned above at page 11 mentions that the European Court has ruled European Governments cannot compel masons to declare membership as a condition of employment.

September, October, November 2004

The same publication mentioned herein at pages 17-20 depicts Freemasonry Victoria's September communication a Centenary of Federation through Masonic eyes. This is the celebration attended by Governor John Landy (November 2001).

91. THE PUBLICATION OMISSION – GRAND JURY APPLICATION

What is omitted from the Masonic publication – the same publication that revealed the European Court decision – was the fact that five Supreme Court judges did preside over a Grand Jury application (2001) filed against the Victorian Freemasonry Corporate structure in relation to a criminal offence of taking and administering unlawful oaths within Victoria, in Criminal Breach of Section 316 Crimes Act 1958 Victoria.

This Supreme Court hearing was omitted from the November Masonic Publication, in accordance with Masonic deception.

92. THE HEARING – OCTOBER 2001

Five judges of the Victorian Supreme Court heard the Grand Jury application and refused the application to form a Grand Jury under or in accordance with Section 354 Crimes Act 1958 Victoria.

93. THE CONCEALMENT AND PERVERTING (2001)

In accordance with the condition found at Section 78B of the Judiciary Act 1903 (Commonwealth), all Attorney Generals were notified prior to the hearing 2001. The principle constitutional issue raised in the notice concerned the purported validity of the Enactment/Royal Assent of the 1975 Victorian Constitution Act, based on the evident fact that the Victorian Constitution Act of 1855 was a United Kingdom Act and as such the Victorian Parliament would not have had the valid constitutional jurisdiction to purportedly repeal the United Kingdom Act of 1855 and enact the 1975 Victorian Act.

The State Governor of Victoria at the time was Henry Winneke, a Masonic member of Grand Lodge Freemasonry Victoria with his son Michael, the Associate of President John Winneke – son of Henry Winneke. (Both now Deceased)

94. THE GRAND JURY APPLICATION HEARING

Resulting from the constitutional notice, one Attorney General did intervene into the hearing – Mr R. Hulls, a state politician and Attorney General for the State of Victoria. The real purpose of the intervention was to make application, after leave to appear was granted to have the established matter of *Byrne v. Armstrong* (1889) overturned, because the matter stated that, **“The Court has no discretionary power but to order the Grand Jury be formed when the affidavit reveals an indictable offence.”**

95. I State that **THE MOST SUCCESSFUL PART OF ANY ROBBERY IS TO KEEP THE VICTIM IGNORANT OF THE ACTUAL ROBBERY**

96.

- A. I State that the original affidavit was done in the year 2016, but at this time the deponent did not know about the insertion of A United Nations Trustee into the 1948 Nationality and Citizenship Act.
- B. No referendum was conducted in 1948 for this insertion.
- C. When The Queen was removed illegally this "Concealed Trustee" took over

The contents of this affidavit were prepared 2016 (Turnbull Government) at the time the existence of the United Nations in the capacity of "Trustee" over Australia was not known to the deponent.

Mr Brian William Shaw
PO Box 800
WERRIBEE VIC 3030

Dear Sir,

I refer to the proposed writ of summons dated 10 November 2017 presented at the Melbourne Registry on that date, together with a statement of claim.

I advise that, on 28 November 2017, Gageler J directed that, pursuant to Rule 6.07.2 of the High Court Rules 2004, the Registrar refuse to issue the writ without the leave of a Justice first having been obtained.

Accordingly I now return the proposed writ of summons with the direction endorsed thereon, together with the statement of claim.

If you wish to seek the leave of a Justice pursuant to Rule 6.07.3, you will need to file an ex parte application, in Form 31, together with an affidavit in support of that application. The application would be determined by a Justice (other than Justice Gageler) on the papers.

Yours faithfully

Rosemary Musolino
Deputy Registrar

ZOMBIE CANDIDATES LINE UP

VOTERS could face a number of "zombie candidates", as the Australian Electoral Commission referred a Senate nominee to the federal police.

Former One Nation and independent senator Rod Culleton was disqualified from parliament in a High Court decision in 2017.

However, he has declared on his nomination form for the West Australian Senate seat, he was clear to run in the 2019 federal election.

While the AEC does not

have the power to reject his nomination, it has provided the form to the Australian Federal Police to examine if a false declaration has been made, relating to his status as an undischarged bankrupt.

Being an undischarged bankrupt prevents a person from being chosen, or to sit, as a senator. But Mr Culleton's name will remain on the WA Senate ballot paper, even though he may be disqualified. Candidate ballot papers were finalised yesterday ahead of early voting starting on Monday.
