Dear Senator Madigan and Chief of Staff,

Re: The criminal removal of The Crown without the referendums

You act for and represent the electors of this State.

You must stop this election before Saturday 7th September.

You have received evidence that The Crown has been criminally removed without the required referendums, but, you have failed to act.

Section 44 of the Constitution of the Commonwealth does contain the words;
"is attainted of treason".

Your failure to act before Saturday does activate this Section of the Constitution, in particular Section 44(ii) and Section 47.

You must seek the immediate injunction to halt this fraud on your electorate to prevent legal and constitutional chaos.

Yours sincerely,
