REVEALS – The Purpose and Intent

WORLD SLAVERY ON THE HORIZON Toward a “New World Order”

Six Pages

The following extract is from an eye-opening interview with (source redacted) and was obtained by one of your patriotic citizens (source protected for security reasons) on 5 February 1991, at great risk to his life, for you and his country, South Africa.

“Consolidation of all the wealth and you... that is what socialism and communism is. You ‘human cattle’ have no idea what is happening around the world and in your own country, South Africa.

You have fallen for every lie we have spun for you and you haven’t even realised that we control almost every newspaper and television station in the world.

You are so busy worrying about yourselves and worshipping Mammon (money) that you have lost the ability to think for yourselves.

We are destroying your will to fight. We will not even need an army to beat you. Psychologically, through our continual bombardment of misinformation, we will destroy you.

By continually feeding you with so many ideas, arguments and counter-arguments that you can no longer decide what is right and wrong.

You ‘human cattle’ do not even know the basic concepts of what we are doing and why we are doing it. It is because under socialism, the state owns/controls everything including you and quite simply we intend to own the state. Once we have controlled each country we will control the world, through the U.N. international police/military force.

We have perfected the ability to manipulate you and for you to accept things, even at your own expense.

Take for example, the New World Order (N.W.O.). By the time we are finished with you, you will be begging us to implement it, without realising what you will be asking for. It will be the surrender of control over your economic and personal freedom.

Once you have accepted the N.W.O. we will own you. We will isolate each of you so that you will not even be able to trust your own children. We will destroy the family unit and therefore, the only way you will survive will be to stay politically ‘pure’ (in other words, support us), and fulfil without dissent your jobs which make you “useful”.

1/6.

You 'cattle' have not even realised that you are about to become slaves.

You are incapable of thinking for yourselves. Take, for example, you have not even realised that we control your government. It is no longer a national government looking after your interests. It is an international government looking after ours. We bought PW Botha, Piet Koornhof and F.W. de Klerk and their likes years ago. Communists are our agents (servants). It was our kind, the Rockefellers, Kissingers, Rothschilds, and Oppenheimers of this world, who gave communism life, financed it and to this day we have controlled and directed it in such a way that we can even give it a facelift and a new name like Social Democracy or Democratic Socialism and you will believe that it is dead. We have no one country. The world is our country and our loyalty is only to each other.

You have not even realised the role the parties like the Democratic Party play. Our employees like Colin Eglin, Helen Suzman and Zach de Beer have done good work in fomenting the idea of creeping socialism. That socialism is a movement of the downtrodden masses when it is quite clear that it is not a share-the-wealth programme but a confidence game to get you to surrender your country, your family, your economic and personal freedom to an all-powerful collectivist (communist) government. We have crept into your minds with our liberal cancer, attaching every sector of your society.

I will even show you how we do it because you are so apathetic. Even knowing how it is done, you will not even spend a cent or lift an arm to save yourselves. We appeal to your more decadent and weak side, your self-centred side, which is always looking for an easy way out. This is aptly suited to our atheistic/ materialistic ideology.

Lenin was right when he said liberals are 'useful idiots'. They deserve what they are asking for, they do not even realise that we are behind liberalism. All we have to do is preach 'liberalism' so that the 'human cattle', for the sake of an idea, will yield some of their power, prerogatives and rights voluntarily in their liberalism.

We have already started to disarm you. Through our liberal stooges in the D.P. we will push for more and more control (gradualism tactics). Then one day we will create some emergency to deceive you into believing that it will be in the interests of everyone's safety if all firearms are handed in until the emergency is over, but you will never get them back, and then you will be helpless and at our mercy.

Might is right. Our right lies in force. We will twist the law to suit ourselves. The laws will no longer be used to protect you and your property. They will become our tools to do the opposite, to take the fruit away from the one man who earned it and give it to another who did not.

You have brilliant, brave leaders but you do not follow them because we hold them up to contempt and ridicule them through our media. You follow our example just like sheep.

If you stood together we could do nothing. This is why we divide you cattle into hostile groups by harping on controversial matters of no importance. White against Black, English against Afrikaans, male against female, child against parents. It's the basic rule! ...Old as the hills... Divide and Rule.

We always preach true democracy but seize power as fast and as ruthlessly as possible. You are not even capable of becoming angry anymore. We even tell you what we are doing and yet you still believe in democracy: One man one vote. Our agentur, Joe Slovo (he is telling you what to do and he is not even one of your countrymen) is a Lithuanian Jew and a colonel in the KGB. He told you to your face through our media: 'The quickest way to communise a country is via democracy'. You are so pathetic, you make me sick. We do not want reform; We Want Your Country.

Your people are incapable of learning from history. If they did they would realise that before every one of our revolutions we swamp the country with so-called 'political refugees' and 'political prisoners', who are used to subjugate the masses by means of want and terror. Once they have achieved our objective, we push out misinformation in such a way that the victims believe they had been the prey of criminals and irresponsible. We then execute the so-called 'criminals' to make ourselves appear as the saviours of the oppressed.

We have also raised the expectations of the mob so they can be used to wipe out all who dare to stand in our way.

You are worse than animals, for what animal would support another animal that is trying to destroy it?

Through most of your churches you are supporting the S.A. Council of Churches which is controlled by the World Revolutionary Movement, which is controlled by us. You join organisations like the Free Masons without realising that we control them and through groups like that we will ultimately enslave you and mongrelise the races so that only our race will be pure.

We have infiltrated your churches to make your faith seem like a fairy story, to turn you away from God. You have not even realised that He can only work through a pure bloodline.

In 1965 one of our people, Mr Rabinowitz, told you that 'This generation will be the last generation where Blacks will be allowed to marry Blacks and Whites to marry Whites'. Yet like sheep you throw away your Bible and open up your schools. Our God Mammon is powerful. For him you will do anything. It is just a matter of time before we control everything.

Some of you 'cattle' do not even know that you originated in Europe, let alone know that you originally came from the biblical lands. Because you do not know, we have tricked you out of your heritage.

Just because there was no declaration of war it does not mean that you are not at war. By the time you realise you have been at war, we will have won. No matter how much money you have, you cannot join us.

We will use you. In the end we will have your money and you anyway.

Your State President thinks he has joined us but when we have finished using him, we will dispose of him like a used contraceptive just like we did with PW Botha.

We will force a bar code number on your wrist or on your forehead under the pretence of making banking easy for you. In your stupidity you will ask for it not knowing that once you have accepted it there will be no turning back. You will have lost your last basic freedom (CASH) and your immortal soul. REVELATIONS CHAPTER 13.16

We will have won, we will have ultimate power over the world. World control. Our god of darkness will then become the God of Light."
MASONIC DOCTRINE

End of quotation.

What this document is highlighting is that the danger is not from below, i.e. from the ANC, or SACP, but from above, i.e. ostensibly respectable people in the government and the super money power who controls the government from behind the scenes. – They control both the ANC and the government/DP and you are in the middle.

If you don't wake up and realise who the real enemy is and start fighting back you will be destroyed. Our Father said: "My people are destroyed through lack of knowledge" (Hosea 4:6) Do not allow yourself to be destroyed through ignorance.

WHAT IS TRUTH?

The great auto pioneer, Henry Ford said: “The truth frequently is depressing... but it has the eternal advantage; it is the truth and what is built thereon neither brings nor yields to confusion”. Most people stubbornly resist any new truth. “Truth cannot be proven wrong. For my part, whatever anguish of spirit it may cost, I am willing to know the whole truth, to know the worst and to provide for it. – Patrick Henry, 1775.

WHAT IS SOCIALISM/COMMUNISM?

It is defined as government ownership and/or control over the basic means of production and distribution of goods and services. When analysed, this means government control over everything including you! Under socialism you have in practice 3% of the total population controlling the total wealth, production and lives of the other 97%.

So what it really is then, is not a movement for the masses, but a movement of the economic elite and the government which they control.

So for a few thousand million rands, what it costs to buy government officials, to finance a communist movement (hidden behind a mass nationalist movement like ANC) and to pay for the psychological war (newspapers, TV) which is used to beat you into mental submission, they obtain a country and it's people which is worth more than the entire global monetary system combined. A country that your forefather fought and paid dearly for.

REVELATION 13.16 – 13.17 (New Testament)

“And he causes all, both small and great, rich and poor, free and bond, to receive a mark in their right hand or in their foreheads:

And that no man might buy or sell, save he that had the mark or the name of the beast, or the number of his name.”

LUKE 11.52 (New Testament)

“Woe unto you Lawyers, for you have taken away the key of knowledge, you entered not in yourselves, and them that were entered in you hindered.”

HOSEA 4 (Old Testament)

“Hear the word of the Lord, the children of Israel: for the Lord has a controversy with the inhabitants of the land, because there is no truth, nor mercy, nor knowledge of God in the land.

By swearing, and lying, and killing, and stealing, and committing adultery, they break out, and blood touches blood.

Therefore shall the land mourn, and every one that dwells there-in shall languish, with the beasts of the field, and with the fowls of the heaven; and the fishes of the sea also shall be taken away.

Yet let no man strive, nor reprove another: for the people are as they that strive with the priest.

Therefore shall you fall in the day, and the prophet also shall fall with you in the night, and I will destroy your mother.

My people are destroyed for lack of knowledge: because you have rejected knowledge, I will also reject you, that you shall be no priest to me: seeing that you have forgotten the law of your God, I will also forget your children.

As they were increased, so they sinned against me: therefore will I change their glory into shame.

They eat up the sin of my people, like priest: and I will punish them for their ways, and reward them for their doings.

For they shall eat, and not have enough: they shall commit whoredom, and shall not increase: because they have left off to take heed to the Lord.

Whoredom and wine and new wine take away the heart.

My people ask counsel at their stocks, and their staff declare to them: for the spirit of whoredoms have caused them to err, and they have gone a whoring from under their God.

They sacrifice upon the tops of the mountains, and burn incense upon the hills, under oaks and poplars and elms, because the shadow thereof is good: therefore your daughters shall commit whoredom, and your spouses shall commit adultery.

I will not punish your daughters when they commit whoredom, nor your spouses when they commit adultery: for themselves are separated with whores, and they sacrifice with harlots: therefore the people that do not understand shall fall.

Though you, Israel, play the harlot, yet let not Judah offend; and come not ye unto Gilgal, neither go you up to Beth-aven, nor swear, the Lord lives.

For Israel slides back as a backsliding heifer: now the Lord will feed them as a lamb in a large place.

Ephraim is joined to idols: let him alone.

Their drink is sour: they have committed whoredom continually: her rulers with shame do love, Give ye.

The wind has bound her up in her wings, and they shall be ashamed because of their sacrifices.
